Administrative Regulation

Family Care And Medical Leave

AR 4161.8 4261.8,4361.8

Personnel

Note: The following optional administrative regulation is subject to collective bargaining agreements. Any subject covered by this administrative regulation should be deleted if already addressed in the district's collective bargaining agreements.

Note: Both federal and state law provide for family care and medical leave (29 USC 2601-2654, the Family and Medical Leave Act of 1993 (FMLA), and Government Code 12945.1-12945.2, the California Family Rights Act (CFRA)). However, these laws do not provide identical rights. In some situations the laws overlap, but in others they conflict. For example, pregnancy as a "serious health condition" is covered under FMLA but not under CFRA. Instead, under California law, a female employee who is disabled due to pregnancy, childbirth, or a related medical condition is entitled to pregnancy disability leave (PDL) pursuant to Government Code 12945. Where there is a conflict between state and federal law, the law that grants the greatest benefits generally controls. In those situations, legal counsel should be consulted as needed.

The district shall not interfere with, restrain, or deny the exercise or attempted exercise by any eligible employee of his/her right to any family care and medical leave or pregnancy disability leave (PDL) provided through the Family and Medical Leave Act (FMLA), the California Family Rights Act (CFRA), or the Fair Employment and Housing Act (FEHA), nor shall it discharge or discriminate or retaliate against any employee for his/her involvement in any inquiry or proceeding related to any leave under any of these laws or his/her opposition to or challenge of any unlawful district practice in relation to any rights granted by any of these laws. (Government Code 12945, 12945.2; 29 USC 2615)

(cf. 4030 - Nondiscrimination in Employment)

(cf. 4032 - Reasonable Accommodation)

(cf. 4033 - Lactation Accommodation)

Definitions

The words and phrases defined below shall have the same meaning throughout this administrative regulation except where a different meaning is otherwise specified.

Child (son or daughter) means a biological, adopted, or foster child; a stepchild; a legal ward; or a child of a person standing in loco parentis as long as the child is under 18 years of age or an adult dependent child. (Government Code 12945.2; 29 USC 2611)

Eligible employee for FMLA and CFRA purposes means an employee who has been employed with the district for at least 12 months and who has at least 1,250 hours of service with the district

during the previous 12-month period. However, these requirements shall not apply when an employee applies for PDL. (Government Code 12945.2; 29 USC 2611; 29 CFR 825.110)

Employee disabled by pregnancy means a woman who, in the opinion of her health care provider, is unable because of pregnancy to perform any one or more of the essential functions of her job or to perform any of them without undue risk to herself, her pregnancy's successful completion, or other persons; or who is suffering from severe "morning sickness" or needs to take time off for any pregnancy-related condition including, but not limited to, prenatal or postnatal care, bed rest, gestational diabetes, pregnancy-induced hypertension, preeclampsia, post-partum depression, childbirth, loss or end of pregnancy, or recovery from childbirth or loss or end of pregnancy. (2 CCR 7291.2)

Parent means a biological, foster, or adoptive parent; a stepparent; a legal guardian; or another person who stood in loco parentis to the employee when the employee was a child. Parent does not include a spouse's parents. (Government Code 12945.2; 2 CCR 7297.0; 29 USC 2611; 29 CFR 825.122)

Serious health condition means an illness, injury, impairment, or physical or mental condition that involves either of the following: (Government Code 12945.2; 29 USC 2611; 29 CFR 825.113-825.115)

1. Inpatient care in a hospital, hospice, or residential health care facility
2. Continuing treatment or continuing supervision by a health care provider, including one or more of the following:
 - a. A period of incapacity of more than three consecutive full days
 - b. Any period of incapacity or treatment for such incapacity due to a chronic serious health condition
 - c. Any period of incapacity due to pregnancy or for prenatal care under FMLA
 - d. Any period of incapacity which is permanent or long term due to a condition for which treatment may not be effective
 - e. Any period of absence to receive multiple treatments, including recovery, by a health care provider

Note: Pursuant to state law (Family Code 297.5), registered domestic partners have the same rights, protections, and benefits as spouses. In re Marriage Cases, the California Supreme Court ruled that the provision in Family Code 300 which limits the official designation of marriage to a union between a man and a woman violates the equal protection clause of the state constitution.

***Note: In addition, in United States v. Windsor, the U.S. Supreme Court held that the federal Defense of Marriage Act (1 USC 7) which defines marriage, for purposes of benefits under federal law, as a "union between a man and a woman," constituted a deprivation of the equal liberty of persons in violation of the

Fifth Amendment to the U.S. Constitution. Districts with questions about the status of benefits for registered domestic partners or spouses of same-sex marriages should consult legal counsel as appropriate.***

Spouse means a partner in marriage as defined in Family Code 300. In addition, for purposes of CFRA, a registered domestic partner shall have the same rights, protections, and benefits as a spouse and protections provided to a spouse's child shall also apply to a child of a registered domestic partner. (Family Code 297.5, 300; 2 CCR 7297.0; 29 CFR 825.122)

Eligibility

Note: Pursuant to Government Code 12945.2 and 29 USC 2611, a district is required to grant family care and medical leave to an eligible employee for any of the reasons stated below, except where the district employs fewer than 50 employees within 75 miles of the worksite where the employee requesting the leave is employed.

The district shall grant FMLA or CFRA leave to eligible employees for any of the following reasons: (Family Code 297.5; Government Code 12945.2; 29 USC 2612; 29 CFR 825.112)

1. The birth of a child of the employee or placement of a child with the employee in connection with the employee's adoption or foster care of the child
2. To care for the employee's child, parent, or spouse with a serious health condition
3. The employee's own serious health condition that makes him/her unable to perform one or more essential functions of his/her position

Note: Pursuant to 29 CFR 825.126, as amended by 78 Fed. Reg. 25, FMLA military family leave is available to any eligible employee for a qualifying exigency while the employee's spouse, son, daughter, or parent who is a military member is on covered active duty during deployment to a foreign country. For requirements related to qualifying exigency leave, see the section "Military Family Leave Resulting from Qualifying Exigencies" below.

4. Any qualifying exigency arising out of the fact that the employee's spouse, child, or parent is a military member on covered active duty or call to covered active duty (or has been notified of an impending call or order to covered active duty)

Note: 29 CFR 825.127, as amended by 78 Fed. Reg. 25, has extended the military caregiver leave to family members of a covered veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date that the eligible employee takes FMLA leave to care for the veteran. For requirements related to military caregiver leave, see the section on "Military Caregiver Leave" below.

5. To care for a covered servicemember with a serious injury or illness if the employee is the spouse, child, parent, or next of kin, as defined, of the servicemember

Note: Under federal law, pregnancy as a "serious health condition" is covered as part of FMLA leave. Pursuant to 2 CCR 7297.6, however, entitlements under PDL and CFRA are separate and distinct. An employee is entitled to up to four months of PDL prior to the birth of a child and up to 12 weeks of CFRA leave following the birth of the child. Additionally, pursuant to 2 CCR 7291.4, PDL is not subject to eligibility requirements for other FMLA and CFRA leaves, such as minimum hours worked or length of service.

In addition, the district shall grant any pregnant female employee PDL during pregnancy, when she is disabled by pregnancy, childbirth, or any related medical condition. (Government Code 12945; 2 CCR 7291.4)

Terms of Leave

An eligible employee shall be entitled to a total of 12 work weeks of FMLA or CFRA leave during any 12-month period, except in the case of leave to care for a covered servicemember as provided under "Military Caregiver Leave" below. (Government Code 12945.2; 29 USC 2612)

Note: To determine the 12-month period in which the leave entitlement occurs, the district may use any of the methods specified in Options #1-4 below which are examples listed in 29 CFR 825.200. However, a district may choose not to use any of these options and may instead choose some other fixed 12-month period. Whichever option is selected must be applied uniformly to all employees.

This 12-month period shall be a rolling period measured backward from the date an employee uses any family care and medical leave, as defined in 29 CFR 825.200. (29 CFR 825.200)

Note: 2 CCR 7291.9, as amended by Register 2012, No. 48, clarifies that the four months of PDL to which an employee is entitled means the number of days or hours that the employee would normally work within the four calendar months. For a part-time employee, four months shall be calculated on a proportional basis.

In addition, for each pregnancy, a female employee shall be entitled to PDL for the period of the disability not to exceed four months. (Government Code 12945; 2 CCR 7291.9)

Note: Leaves under CFRA and FMLA sometimes overlap and run concurrently so that total leave to which an employee is entitled would not be cumulative. For example, pursuant to Government Code 12945.2, CFRA leave for the birth of an employee's child would run concurrently with the employee's FMLA leave entitlement, thereby limiting it to 12 work weeks. However, PDL is separate and distinct from CFRA leave. Consequently, pursuant to 2 CCR 7291.13, an employee may be entitled to up to four months of PDL, followed by 12 work weeks of CFRA leave for the birth of the child (baby bonding). Determining which leaves run concurrently is a complex endeavor and districts should consult legal counsel as needed.

PDL shall run concurrently with FMLA leave for disability caused by an employee's pregnancy. At the end of the employee's FMLA leave for disability caused by pregnancy, or at the end of four months of PDL, whichever occurs first, a CFRA-eligible employee may request to take CFRA leave of up to 12 work weeks for the reason of the birth of her child, if the child has been born by this date (e.g., baby bonding), whether or not she or the child has a serious health condition or

disability. To the extent allowed by law, CFRA and FMLA leaves shall run concurrently. (Government Code 12945, 12945.2; 2 CCR 7291.13, 7297.6)

Leave taken for the birth or placement of a child must be concluded within the 12-month period beginning on the date of the birth or placement of the child. Such leave does not need to be taken in one continuous period of time. The basic minimum duration of leave for the birth or placement of a child shall be two weeks. However, the district shall grant a request for leave of less than two weeks' duration on any two occasions. (2 CCR 7297.3; 29 USC 2612)

Note: The following optional paragraph is for use by districts that limit family care and medical leave related to the birth or placement of a child to a total of 12 work weeks when both parents work for the district. However, pursuant to 2 CCR 7297.1, such limit on employees' entitlement to family care and medical leave for any other qualifying purpose is prohibited.

If both parents of a child work for the district, their family care and medical leave related to the birth or placement of the child shall be limited to a combined total of 12 weeks. This restriction shall apply whether the parents are married, not married, or registered domestic partners. (Government Code 12945.2; 2 CCR 7297.1; 29 USC 2612)

Use/Substitution of Paid Leave

Note: The district may require employees (Option 1) or give employees discretion (Option 2) to substitute paid leave or other negotiated unpaid time off for the family care and medical leave, so that the paid leave or unpaid time off and the family care and medical leave would run concurrently. Paid leave may be substituted only to the extent that the employee would otherwise be eligible to take the leave. However, for leave taken under the CFRA for the employee's own serious health condition, the district can only require him/her to use accrued sick leave and cannot require the employee to use accrued vacation or personal time off.

An employee shall substitute his/her accrued vacation leave, other accrued time off, and any other paid or unpaid time off negotiated with the district for any FMLA or CFRA leave not involving his/her own serious health condition or pregnancy disability. For the employee's PDL or FMLA or CFRA leave due to his/her own serious health condition, the employee shall use accrued sick leave pursuant to the collective bargaining agreement and/or Board policy and may use accrued vacation leave and other paid or unpaid time off at his/her option. (Government Code 12945, 12945.2; 2 CCR 7291.11; 29 USC 2612)

(cf. 4141/4241 - Collective Bargaining Agreement)

(cf. 4161/4261/4361 - Leaves)

(cf. 4161.1/4361.1 - Personal Illness/Injury Leave)

(cf. 4261.1 - Personal Illness/Injury Leave)

Intermittent Leave/Reduced Work or Leave Schedule

PDL and family care and medical leave for the serious health condition of an employee or his/her child, parent, or spouse may be taken intermittently or on a reduced work or leave schedule when

medically necessary, as determined by the health care provider of the person with the serious health condition. However, the district may limit leave increments to the shortest period of time that the district's payroll system uses to account for absences or use of leave, not to be greater than one hour. (2 CCR 7291.9, 7297.3; 29 USC 2612)

The district may require an employee to transfer temporarily to an available alternative position if the employee is pregnant and provides medical certification from her health care provider of the medical need for intermittent leave or leave on a reduced work or leave schedule or if the employee's need for the intermittent leave or leave on a reduced work or leave schedule is foreseeable based on his/her planned medical treatment or that of a family member. This alternative position must have equivalent pay and benefits and must better accommodate recurring periods of leave than the employee's regular job, and the employee must be qualified for the position. Transfer to an alternative position may include altering an existing job to better accommodate the employee's need for intermittent leave or a reduced work or leave schedule. (2 CCR 7291.8, 7297.3; 29 USC 2612)

(cf. 4113.4/4213.4/4313.4 - Temporary Modified/Light-Duty Assignment)

Request for Leave

***Note: Pursuant to 2 CCR 7291.17 and 7297.4, an employee is required to notify the district of the need to take PDL or family care and medical leave. However, for family care and medical leave, the employee need not specifically mention CFRA or FMLA. (Faust v. California Portland Cement Company) ***

An employee shall provide at least verbal notice sufficient to make the district aware of the need to take PDL or family care and medical leave and the anticipated timing and duration of the leave. (2 CCR 7291.17, 7297.4)

For family care and medical leave, the employee need not expressly assert or mention FMLA/CFRA to satisfy this requirement; however, he/she must state the reason the leave is needed (e.g., birth of child, medical treatment). If more information is necessary to determine whether the employee is eligible for family care and medical leave, the Superintendent or designee shall inquire further and obtain the necessary details of the leave to be taken. (2 CCR 7297.4)

***Note: Both 29 CFR 825.300 and 2 CCR 7297.4 require the district to provide an employee with notice of the designation of leave as either qualifying for CFRA or FMLA protection. See section entitled "Notifications" below for further requirements of this "designation notice" as well as other required notifications. ***

Based on the information provided by the employee, the Superintendent or designee shall designate the leave, paid or unpaid, as FMLA/CFRA qualifying leave and shall give notice of such designation to the employee. (2 CCR 7297.4)

***Note: Pursuant to 2 CCR 7297.4, the district may require an employee to provide at least 30 days advance notice of the need for family care and medical leave, if the need is foreseeable. If a district requires such advance notice from employees, then the district's notification of FMLA/CFRA rights must so specify; see section below entitled "Notifications." ***

Note: Pursuant to 2 CCR 7291.17, an employee requesting PDL is required to provide the district at least 30 days advance notice if the need for PDL is foreseeable. Districts that do not require 30 days advance notice should modify the following paragraph accordingly.

When the need for the PDL or family care and medical leave is foreseeable, the employee shall provide the district with at least 30 days advance notice before the leave. The employee shall consult with the Superintendent or designee and make a reasonable effort to schedule, subject to the health care provider's approval, any planned appointment or medical treatment or supervision so as to minimize disruption to district operations. (Government Code 12945.2; 2 CCR 7291.17, 7297.4)

When the 30 days notice is not practicable because of a lack of knowledge of when leave will be required to begin, a change in circumstances, a medical emergency, or other good cause, the employee shall provide the district with notice as soon as practicable. (2 CCR 7291.17, 7297.4)

Certification of Health Condition

Note: The following optional section is for use by districts that require an employee to submit a medical certification of the need for leave along with the request for PDL or family care and medical leave for his/her own serious health condition or to care for a child, parent, or spouse with a serious health condition. In order to help avoid claims of discrimination, the district should generally treat all employees uniformly; thus, districts using this section should request a medical certification from all employees.

Within five business days of an employee's request for family care and medical leave for his/her own or his/her child's, parent's, or spouse's serious health condition, the Superintendent or designee shall request that the employee provide certification by a health care provider of the need for leave. Upon receiving the district's request, the employee shall provide the certification within 15 days, unless either the Superintendent or designee provides additional time or it is not practicable under the particular circumstances, despite the employee's diligent, good faith efforts. (2 CCR 7297.4; 29 CFR 825.305)

The certification shall include the following: (Government Code 12945.2; 2 CCR 7297.0; 29 USC 2613)

1. The date on which the serious health condition began
2. The probable duration of the condition
3. If the employee is requesting leave to care for a child, parent, or spouse with a serious health condition, both of the following:
 - a. Statement that the serious health condition warrants the participation of the employee to provide care during a period of the treatment or supervision of the child, parent, or spouse
 - b. Estimated amount of time the health care provider believes the employee needs to

care for the child, parent, or spouse

Note: 2 CCR 7297.0 provides that the health care provider's certification need not identify the serious health condition involved, if the leave is for the care of the employee's child, parent, or spouse.

4. If the employee is requesting leave because of his/her own serious health condition, a statement that due to the serious health condition, he/she is unable to work at all or is unable to perform one or more essential functions of his/her job
5. If the employee is requesting leave for intermittent treatment or on a reduced work or leave schedule for planned medical treatment, a statement of the medical necessity for the leave, the dates on which treatment is expected to be given, the duration of such treatment, and the expected duration of the leave

In addition, at the employee's option, the certification may include a diagnosis identifying the serious health condition. (2 CCR 7297.0)

When an employee has provided sufficient medical certification to enable the district to determine whether the employee's leave request is FMLA/CFRA-eligible, the Superintendent or designee shall notify the employee within five business days whether the leave is FMLA/CFRA-eligible. The Superintendent or designee may also retroactively designate leave as FMLA/CFRA as long as there is no harm to the employee. (29 CFR 825.301)

If the Superintendent or designee doubts the validity of a certification that accompanies a request for leave for the employee's own serious health condition, he/she may require the employee to obtain a second opinion from a district-approved health care provider, at district expense. If the second opinion is contrary to the first, the Superintendent or designee may require the employee to obtain a third medical opinion from a third health care provider approved by both the employee and the district, again at district expense. The opinion of the third health care provider shall be final and binding. (Government Code 12945.2; 29 USC 2613)

For PDL, the Superintendent or designee shall request that the employee provide certification by a health care provider of the need for leave at the time the employee gives notice of the need for PDL, or within two business days of giving the notice. If the need for PDL is unforeseen, the Superintendent or designee shall request the medical certification within two business days after the leave commences. The Superintendent or designee may request certification at some later date if he/she has reason to question the appropriateness of the leave or its duration. (2 CCR 7291.17)

For PDL that is foreseeable and for which at least 30 days notice has been given, the employee shall provide the medical certification before the leave begins. When this is not practicable, the employee shall provide the certification within the time frame specified by the Superintendent or designee which must be at least 15 days after the request, unless it is not practicable under the particular circumstances despite the employee's diligent, good faith efforts. (2 CCR 7291.17)

Medical certification for PDL purposes shall include a statement that the employee needs to take

the leave because she is disabled by pregnancy, childbirth, or a related medical condition, the date on which the employee became disabled because of pregnancy, and the estimated duration of the leave. (2 CCR 7291.17)

The Superintendent or designee shall not request any genetic information, as defined in 42 USC 2000ff, from any employee or his/her family member except as necessary to comply with a certification requirement for PDL or FMLA/CFRA leave purposes or with the prior written authorization of the employee. Any such genetic information received by the district shall be kept confidential in accordance with law. (42 USC 2000ff-1, 2000ff-5)

If additional PDL or family care and medical leave is needed when the time estimated by the health care provider expires, the district may require the employee to provide recertification in the manner specified for the leave. (Government Code 12945.2; 2 CCR 7291.17; 29 USC 2613)

Fitness for Duty Certification/Release to Return to Work

Note: The following optional section is for use by districts that choose to require a fitness-for-duty certification and may be modified to list the specific positions for which certification is required. Pursuant to Government Code 12945.2 and 29 CFR 825.312, the district may require an employee to submit a fitness-for-duty certification upon returning to work when the following two conditions are met: (1) the leave was a result of the employee's own serious health condition, and (2) the district has adopted a policy that is applied uniformly to all similarly situated employees (i.e., same occupation, same serious health condition). In addition, 2 CCR 7291.17 has similar requirements when an employee is returning to work after a PDL. However, if the district's collective bargaining agreement governs the employee's return to work, the collective bargaining agreement shall supersede any policy requirements.

Upon expiration of an employee's PDL or family care and medical leave taken for his/her own serious health condition, the employee shall present certification from the health care provider that he/she is able to resume work.

(cf. 4112.4/4212.4/4312.4 - Health Examinations)

Note: Pursuant to 29 CFR 825.312, when the health care provider certifies that the employee is able to resume work, the district may also require the health care provider to address the employee's ability to perform the essential functions of the job. If such a requirement is imposed, then the district must provide the employee with a list of the essential functions of his/her job with the "designation notice"; see section entitled "Notifications" below.

Note: The following paragraph is optional and should be deleted by districts that do not require certification of an employee's ability to perform the essential functions of the job.

The certification from the employee's health care provider shall address the employee's ability to perform the essential functions of his/her job.

Rights to Reinstatement

Note: Pursuant to Government Code 12945.2, 2 CCR 7291.10, and 29 USC 2614, an employee on PDL or family care and medical leave has the right to be reinstated to the same or a comparable position when he/she returns from such leave. However, such an employee has no greater right to reinstatement or other benefits than he/she would have if he/she had been continuously employed. In addition, in certain situations described below, the district may be relieved of the obligation to reinstate an employee.

Upon granting an employee's request for PDL or family care and medical leave, the Superintendent or designee shall guarantee to reinstate the employee in the same or a comparable position when the leave ends. (Government Code 12945.2; 2 CCR 7291.10; 29 USC 2614)

However, the district may refuse to reinstate an employee returning from family care and medical leave to the same or a comparable position if all of the following apply: (Government Code 12945.2; 29 USC 2614)

1. The employee is a salaried "key employee" who is among the highest paid 10 percent of district employees who are employed within 75 miles of the employee's worksite.
2. The refusal is necessary to prevent substantial and grievous economic injury to district operations.
3. The district informs the employee of its intent to refuse reinstatement at the time it determines that the refusal is necessary, and the employee fails to immediately return to service.

(cf. 4117.3 - Personnel Reduction)

(cf. 4217.3 - Layoff/Rehire)

The district may refuse to reinstate an employee to the same position after taking PDL if, at the time the reinstatement is requested, the employee would not otherwise have been employed in that position for legitimate business reasons unrelated to the employee's PDL. (2 CCR 7291.10)

Maintenance of Benefits/Failure to Return from Leave

During the period when an employee is on PDL or family care and medical leave, he/she shall maintain his/her status with the district and the leave shall not constitute a break in service for purposes of longevity, seniority under any collective bargaining agreement, or any employee benefit plan. (Government Code 12945.2; 29 USC 2614)

For up to a maximum of four months for PDL or 12 work weeks for other family care and medical leave, the district shall continue to provide an eligible employee the group health plan coverage that was in place before he/she took the leave. The employee shall reimburse the district for premiums paid during the leave if he/she fails to return to district employment after the expiration of all available leaves and the failure is for a reason other than the continuation, recurrence, or onset of a serious health condition or other circumstances beyond his/her control. (Government Code 12945.2; 2 CCR 7291.11; 29 USC 2614; 29 CFR 825.213)

(cf. 4154/4254/4354 - Health and Welfare Benefits)

In addition, during the period when an employee is on PDL or family care and medical leave, the employee shall be entitled to continue to participate in other employee benefit plans including life insurance, short-term or long-term disability insurance, accident insurance, pension and retirement plans, and supplemental unemployment benefit plans to the same extent and under the same conditions as would apply to an unpaid leave taken for any other purpose. However, for purposes of pension and retirement plans, the district shall not be required to make plan payments for an employee during the leave period and the leave period shall not be counted for purposes of time accrued under the plan. (Government Code 12945.2; 2 CCR 7291.11)

Military Family Leave Resulting from Qualifying Exigencies

Note: 29 USC 2611 and 2612 authorize an eligible employee to take up to 12 work weeks of unpaid leave to attend to an "exigency" arising out of the fact that a spouse, child, or parent of the employee is on active duty or on call to active duty status in the National Guard or Reserves, or is a servicemember of the regular Armed Forces on deployment to a foreign country. 29 CFR 825.100-825.800, as amended by 78 Fed. Reg. 25, made changes to the implementation of this FMLA leave as specified in the following optional section, including in the definition of "covered military member" which, pursuant to 29 CFR 825.126, is now "military member." 29 CFR 825.126 also clarifies the meaning of "covered active duty" as it relates to servicemembers in the National Guard or Reserves.

Note: Pursuant to 29 CFR 825.200, an employee is entitled to 12 work weeks of qualifying exigency leave during each 12-month period established by the district; see section entitled "Terms of Leave" above. According to the U.S. Department of Labor's (DOL) Military Family Leave Provisions of the FMLA Frequently Asked Questions and Answers, an employee may take all 12 weeks of his/her FMLA leave entitlement as a qualifying exigency leave or take a combination of the 12 weeks of leave for both qualifying exigency leave and other FMLA leave, such as leave for a serious health condition.

An eligible employee may take up to 12 work weeks of unpaid leave during the 12-month period established by the district while a military member is on covered active duty or call to covered active duty status for one or more qualifying exigencies. (29 USC 2612; 29 CFR 825.126)

Military member means an employee's spouse, son, daughter, or parent on covered active duty or call to covered active duty status. (29 CFR 825.126)

Covered active duty means duty during the deployment of a member of the regular Armed Forces to a foreign country or duty during the deployment of a member of the National Guard or Reserves to a foreign country under a call or order to active duty in support of a contingency operation pursuant to law. (29 USC 2611; 29 CFR 825.126)

Note: 29 CFR 825.126, as amended by 78 Fed. Reg. 25, has added parental care to the seven existing categories of "qualifying exigencies." In addition, a "qualifying exigency" includes "any other event" as agreed to by the district and the employee. As an example of such other event, the DOL's Military Family Leave Provisions of the FMLA Frequently Asked Questions and Answers lists leave to spend time with the military member either prior to or post deployment or to attend to household emergencies that would normally have been handled by the covered military member.

Qualifying exigencies include time needed to: (29 CFR 825.126)

1. Address issues arising from short notice deployment (up to seven calendar days from the date of receipt of call or order of short notice deployment)
2. Attend military events and related activities, such as any official ceremony or family assistance program related to the covered active duty or call to covered active duty status
3. Arrange childcare or attend school activities arising from the covered active duty or call to covered active duty, such as arranging for alternative child care, enrolling or transferring a child to a new school, or attending meetings
4. Make or update financial and legal arrangements to address a military member's absence
5. Attend counseling provided by someone other than a health care provider

Note: 29 CFR 825.126, as amended by 78 Fed. Reg. 25, has increased the allowable qualifying exigency leave for reason of "rest and recuperation" from five to 15 days.

6. Spend time (up to 15 days of leave per instance) with a military member who is on short-term, temporary, Rest and Recuperation leave during deployment
7. Attend to certain post-deployment activities, such as arrival ceremonies or reintegration briefings
8. Care for a military member's parent who is incapable of self-care when the care is necessitated by the military member's covered active duty
9. Address any other event that the employee and district agree is a qualifying exigency

The employee shall provide the Superintendent or designee with notice of the need for the qualifying exigency leave as soon as practicable, regardless of how far in advance such leave is foreseeable. (29 CFR 825.302)

Note: 29 CFR 825.309, as amended by 78 Fed. Reg. 25, has expanded the list of information which a district may require an employee to provide, to include a copy of the military member's Rest and Recuperation leave order or other military-issued documentation that specifies the military member's leave. In addition, the district may require the employee to provide certification of the qualifying exigency containing the information specified in 29 CFR 825.309. A form has been developed by DOL for this purpose and is available on its web site.

Note: The following paragraph is optional and should be deleted by those districts that do not require such documentation. In order to help avoid claims of discrimination, the district should generally treat all employees uniformly; thus, districts using this paragraph should request certification from all employees requesting such leave.

An employee who is requesting such leave for the first time shall provide the Superintendent or

designee with a copy of the military member's active duty orders, or other documentation issued by the military, and the dates of the service. In addition, the employee shall provide the Superintendent or designee with certification of the qualifying exigency necessitating the leave. The certification shall contain the information specified in 29 CFR 825.309.

The employee's qualifying exigency leave may be taken on an intermittent or reduced work or leave schedule basis. (29 CFR 825.302)

Note: Pursuant to 29 USC 2612 and 29 CFR 825.207, the district has the option to require or give employees discretion to substitute paid leave when taking FMLA/CFRA leave; see Options 1 and 2 in the section entitled "Use/Substitution of Paid Leave" above. Whichever option is selected by the district with regards to FMLA/CFRA leave is also applicable to qualified exigency leave.

During the period of qualified exigency leave, the district's rule regarding an employee's use of his/her accrued vacation leave and any other accrued paid or unpaid time off, as specified in the section "Use/Substitution of Paid Leave" above, shall apply.

Military Caregiver Leave

Note: 29 USC 2612 and 29 CFR 825.127 authorize an eligible employee to take up to 26 work weeks of unpaid military caregiver leave, as defined below, during a "single 12-month period." As is the case with other FMLA leaves, this law applies to districts that employ at least 50 employees within 75 miles of the worksite where the employee requesting the leave is employed; see the section entitled "Eligibility" above.

Note: According to the DOL's Military Family Leave Provisions of the FMLA Frequently Asked Questions and Answers, if an employee does not use the entire 26-week entitlement in a single 12-month period, unused weeks cannot be carried over into another 12-month period. However, the employee may qualify for nonmilitary FMLA leave.

The district shall grant up to a total of 26 work weeks of leave during a single 12-month period, measured forward from the first date of leave taken, to an eligible employee to care for a covered servicemember with a serious illness or injury. In order to be eligible for such military caregiver leave, an employee must be the spouse, son, daughter, parent, or next of kin of the covered servicemember. This 26-week period is not in addition to, but rather is inclusive of, the 12 work weeks of leave that may be taken for other FMLA qualifying reasons. (29 USC 2611, 2612; 29 CFR 825.127)

Covered servicemember may be: (29 CFR 825.127)

1. A current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy; is otherwise in outpatient status; or is otherwise on the temporary disability retired list for a serious injury or illness
2. A veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to

care for the covered veteran

Note: Unlike the provisions for other FMLA/CFRA leave, 29 CFR 825.127 places no age limit on the definition of "son or daughter," as detailed below. In addition, 29 CFR 825.127 defines "next of kin" of a covered servicemember in relation to military caregiver leave.

Son or daughter of a covered servicemember means the biological, adopted, or foster child, stepchild, legal ward, or a child of any age for whom the covered servicemember stood in loco parentis. (29 CFR 825.127)

Parent of a covered servicemember means the covered servicemember's biological, adopted, step, or foster parent, or any other individual who stood in loco parentis to the covered servicemember (except "parents in law"). (29 CFR 825.127)

Next of kin means the nearest blood relative to the covered servicemember, or as designated in writing by the covered servicemember. (29 USC 2611, 2612)

Outpatient status means the status of a member of the Armed Forces assigned to a military medical treatment facility as an outpatient or a unit established for the purpose of providing command and control of members of the Armed Forces receiving medical care as outpatients. (29 USC 2611; 29 CFR 825.127)

Note: 29 USC 2611 defines "serious injury or illness" for active members of the Armed Forces and for veterans, as provided below. Pursuant to 29 CFR 825.127, as amended by 78 Fed. Reg. 25, one of the four conditions listed in item #2 below must be present for a veteran's injury or illness to qualify as a "serious injury or illness" for the purpose of this leave.

Serious injury or illness means: (29 USC 2611; 29 CFR 825.127)

1. For a current member of the Armed Forces, an injury or illness incurred by the member in the line of duty on active duty, or that existed before the beginning of the member's active duty and was aggravated by the member's service in the line of duty while on active duty in the Armed Forces, and that may render the member medically unfit to perform the duties of the member's office, grade, rank, or rating

2. For a veteran, an injury or illness incurred or aggravated by the member's service in the line of duty on active duty in the Armed Forces, including the National Guard or Reserves, that manifested itself before or after the member became a veteran and that is at least one of the following:

a. A continuation of a serious injury or illness incurred or aggravated while the veteran was a member of the Armed Forces and rendered him/her unable to perform the duties of his/her office, grade, rank, or rating

b. A physical or mental condition for which the veteran has received a U.S. Department of Veterans Affairs (VA) Service-Related Disability Rating of 50 percent or greater, based wholly or

partly on that physical or mental condition

c. A physical or mental condition that substantially impairs the veteran's ability to secure or follow a substantially gainful occupation by reason of one or more disabilities related to his/her military service or that would do so but for treatment received by the veteran

d. An injury, including a psychological injury, on the basis of which the veteran has been enrolled in the VA's Program of Comprehensive Assistance for Family Caregivers

Note: As is the case for other types of FMLA/CFRA leave, 29 CFR 825.302 and 825.303 require the employee, when the need for the leave is foreseeable, to provide 30 days advance notice to the district before the leave is to begin.

The employee shall provide reasonable and practicable notice of the need for the leave in accordance with the procedures in the section entitled "Request for Leave" above.

Note: 29 CFR 825.310 authorizes the district to require the employee to provide certification of the need for the leave, which is to be completed by an authorized health care provider of the covered servicemember. 29 CFR 825.310, as amended by 78 Fed. Reg. 25, has expanded the definition of "authorized health care provider" for this purpose to include health care providers listed in 29 CFR 825.125 who are not affiliated with the Department of Defense or Department of Veterans Affairs and authorizes a district to require second and third opinions from such health care providers.

Note: The following paragraph is optional. In order to help avoid claims of discrimination, the district should generally treat all employees uniformly; thus, districts using this paragraph should request a medical certification from all employees requesting such leave.

An employee requesting leave to care for a covered servicemember with a serious injury or illness shall provide the Superintendent or designee with certification from an authorized health care provider of the servicemember that contains the information specified in 29 CFR 825.310.

Note: Pursuant to 29 CFR 825.127, an employee may take up to a total of 26 work weeks of leave for both regular FMLA and military caregiver leave during the 12-month leave entitlement period. However, the employee may not take more than 12 weeks for regular FMLA leave. For example, according to the DOL's Military Family Leave Provisions of the FMLA Frequently Asked Questions and Answers, an employee could take 12 weeks of FMLA leave to care for a newborn child and 14 weeks of military caregiver leave, but could not take 16 weeks to care for a newborn and 10 weeks of military caregiver leave. If the leave qualifies as both military caregiver leave and leave to care for a family member with a serious health condition, 29 CFR 825.127 specifies that the district must first designate the leave as military caregiver leave.

The leave may be taken intermittently or on a reduced work or leave schedule when medically necessary. An employee taking military caregiver leave in combination with other leaves pursuant to this administrative regulation shall be entitled to a combined total of 26 work weeks of leave during a single 12-month period. When both spouses work for the district and both wish to take such leave, the spouses are limited to a maximum combined total of 26 work weeks during a single 12-month period. (29 USC 2612)

Note: Pursuant to 29 USC 2612 and 29 CFR 825.207, the district has the option to require or give employees discretion to substitute paid leave when taking FMLA/CFRA leave; see Options 1 and 2 in section entitled "Use/Substitution of Paid Leave" above. Whichever option is selected by the district with regards to FMLA/CFRA leave is also applicable to military caregiver leave.

During the period of military caregiver leave, the district's rule regarding an employee's use of his/her accrued vacation leave and other accrued paid or unpaid time off, as specified in the section "Use/Substitution of Paid Leave" above, shall apply.

Notifications

Note: Both 29 CFR 825.300 and 2 CCR 7297.9 require employers to provide general notification to employees of their rights under the FMLA/CFRA as well as specific notifications when an employee has requested leave, as detailed below. 2 CCR 7291.16 contains similar notice requirements for PDL purposes. Samples of notices which describe an employee's rights are available on the web sites of the California Department of Fair Employment and Housing and the DOL.

Note: 2 CCR 7297.9 further requires that if the workforce at any facility contains 10 percent or more of persons with a primary language other than English, the posted notice of state law must be translated into the language(s) these employees speak.

The Superintendent or designee shall provide the following notifications about state and federal law related to PDL or FMLA/CFRA leave:

1. General Notice: Information explaining the provisions of the FEHA and FMLA/CFRA and employee rights and obligations shall be posted in a conspicuous place on district premises, or electronically, and shall be included in employee handbooks. (2 CCR 7291.16, 7297.9; 29 USC 2619)

Note: Pursuant to 2 CCR 7291.17 and 7297.4, a district may require an employee, when the need for the leave is foreseeable, to provide at least 30 days advance notice before the leave is to begin; see the section entitled "Request for Leave" above. 2 CCR 7291.16 and 7297.4 specify that districts requiring such notice from employees must give them "reasonable advance notice" of their obligation and that incorporation of the requirement into the general notice satisfies the "advance notice" requirement.

Note: The following optional paragraph is for use by districts that require employees to provide advance notice.

The general notice shall also explain an employee's obligation to provide the Superintendent or designee with at least 30 days notice of the need for the leave, when the need for the leave is reasonably foreseeable. (2 CCR 7291.17, 7297.4)

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

2. Eligibility Notice: When an employee requests leave, including PDL, or when the Superintendent or designee acquires knowledge that an employee's leave may be for an

FMLA/CFRA qualifying reason, the Superintendent or designee shall, within five business days, provide notification to the employee of his/her eligibility to take such leave. (2 CCR 7291.16; 29 CFR 825.300)

3. Rights and Responsibilities Notice: Each time the eligibility notice is provided to an employee, the Superintendent or designee shall provide written notification explaining the specific expectations and obligations of the employee, including any consequences for a failure to meet those obligations. Such notice shall include, as appropriate: (29 CFR 825.300)

- a. A statement that the leave may be designated and counted against the employee's annual FMLA/CFRA leave entitlement and the appropriate 12-month entitlement period, if qualifying

Note: Item #b below is for use by districts that require medical certification to the effect that the employee is able to resume work. See the section entitled "Fitness for Duty Certification/Release to Return to Work" above.

- b. Any requirements for the employee to furnish medical certification of a serious health condition, serious injury or illness, or qualifying exigency arising out of active duty or call to active duty status and the consequences of failing to provide the certification
- c. The employee's right to substitute paid leave, whether the district will require substitution of paid leave, conditions related to any substitution, and the employee's entitlement to take unpaid leave if the employee does not meet the conditions for paid leave
- d. Any requirements for the employee to make premium payments necessary to maintain health benefits, the arrangement for making such payments, and the possible consequences of failure to make payments on a timely basis
- e. If applicable, the employee's status as a "key employee," potential consequence that restoration may be denied following the FMLA leave, and explanation of the conditions required for such denial
- f. The employee's right to maintenance of benefits during the leave and restoration to the same or an equivalent job upon return from leave
- g. The employee's potential liability for health insurance premiums paid by the district during the employee's unpaid FMLA leave should the employee not return to service after the leave

Any time the information provided in the above notice changes, the Superintendent or designee shall, within five business days of his/her receipt of an employee's first notice of need for leave, provide the employee with a written notice referencing the prior notice and describing any changes to the notice. (29 CFR 825.300)

4. Designation Notice: When the Superintendent or designee has information (e.g.,

sufficient medical certification) to determine whether the leave qualifies as FMLA/CFRA leave, he/she shall, within five business days, provide written notification designating the leave as FMLA/CFRA qualifying or, if the leave will not be so designated, the reason for that determination. (29 CFR 825.300)

If the amount of leave needed is known, the notice shall include the number of hours, days, or weeks that will be counted against the employee's FMLA/CFRA entitlement. If it is not possible to provide that number at the time of the designation notice, notification shall be provided of the amount of leave counted against the employee's entitlement upon request by the employee and at least once in every 30-day period if leave was taken in that period. (29 CFR 825.300)

Note: 29 CFR 825.300 requires the designation notice to specify whether the district requires paid leave to be substituted for unpaid family care and medical leave, whether the district requires an employee to present a fitness-for-duty certification, and whether that certification must address the employee's ability to perform the essential functions of the job. See the sections entitled "Use/Substitution of Paid Leave" and "Fitness for Duty Certification/Release to Return to Work" above. The following paragraph should be revised to reflect district practice.

If the district requires paid leave to be substituted for unpaid family care and medical leave, the notice shall so specify. If the district requires an employee to present a fitness-for-duty certification that addresses the employee's ability to perform the essential functions of the job, the notice shall also specify that requirement. (29 CFR 825.300)

Any time the information provided in the designation notice changes, the Superintendent or designee shall, within five business days, provide the employee with written notice referencing the prior notice and describing any changes to the notice. (29 CFR 825.300)

Records

Note: Government Code 12946, 29 USC 2616, and 29 CFR 825.500 require districts to maintain records of, among other things, applications, dates, and personnel and employment action related to family care and medical leave. Pursuant to 42 USC 2000ff-1, any individually identifiable genetic information possessed by the district must be treated as a confidential medical record of the employee involved.

The Superintendent or designee shall maintain records pertaining to an individual employee's use of family care and medical leave in accordance with law. (Government Code 12946; 29 USC 2616; 42 USC 2000ff-1; 29 CFR 825.500)
