Board Policy

Uniform Complaint Procedures

BP 1312.3

Community Relations

Note: To address prohibited discrimination and violations of state and federal laws governing educational programs, 5 CCR 4621 mandates districts to adopt uniform complaint procedures (UCP) consistent with the state's complaint procedures specified in 5 CCR 4600-4670. Pursuant to 5 CCR 4610, districts are required to adopt a uniform system of procedures that meets specified requirements for investigating and resolving complaints alleging (1) unlawful discrimination (such as discriminatory harassment, intimidation, and bullying); (2) a violation of state and federal laws and regulations governing educational programs; or (3) noncompliance with state law prohibiting the charging of student fees. Although some bullying incidents may not fall within the provisions of 5 CCR 4610, BP 5131.2 - Bullying strongly recommends that districts use the UCP to investigate all bullying incidents, regardless of whether there is an allegation of discriminatory bullying, to ensure consistent implementation by district staff. It is not always easy or possible for staff to know prior to an investigation whether a student was bullied because of his/her actual or perceived membership in a legally protected class. After investigation, bullying incidents found to involve discrimination would then be resolved using the UCP. Districts that are concerned about the capacity of a single district compliance officer to handle a possible increase in the number of UCP complaints, or that prefer to handle certain incidents at the school site level whenever possible, may designate multiple compliance officers in accordance with the accompanying administrative regulation.

Note: In addition, Education Code 52075 mandates districts to adopt policies and procedures implementing the use of the UCP to investigate and resolve complaints alleging noncompliance with requirements related to the local control and accountability plan. For plan requirements, see BP/AR 0460 - Local Control and Accountability Plan. Finally, a district should adopt policies and procedures implementing the use of the UCP to investigate and resolve complaints alleging retaliation in response to a complaint.

Note: The California Department of Education (CDE) monitors district programs and operations for compliance with these requirements through its Federal Program Monitoring (FPM) process. The FPM consists of a review of (1) written district policies and procedures for required language, including prohibition of discrimination (such as discriminatory harassment, intimidation, and bullying) against students pursuant to Education Code 234.1, and (2) records of required activities, such as annual notification provided to students, parents/guardians, employees, and other school community members.

***Note: The U.S. Department of Education's Office for Civil Rights (OCR) enforces Title II of the Americans with Disabilities Act (20 USC 12101-12213), Title VI of the Civil Rights Act of 1964 (42 USC 2000d-2000e-17), Title IX of the Education Amendments Act of 1972 (20 USC 1681-1688), Section 504 of the Rehabilitation Act of 1973 (29 USC 794), and the Age Discrimination Act of 1975 (42 USC 6101-6107). OCR has issued guidance describing federal requirements for discrimination complaint

procedures. OCR requires such procedures to be "prompt and equitable." The factors OCR examines to evaluate each district's procedures are specified in the accompanying administrative regulation, including whether and how the procedures (1) provide notice of the procedures to the district's students, parents/guardians, and employees; (2) ensure adequate, reliable, and impartial investigation of complaints; (3) contain reasonably prompt timeframes for major stages of the complaint process; (4) provide notice to the complainant of the resolution of the complaint; and (5) provide an assurance that action will be taken to prevent recurrence of any discrimination found and to correct its effects.***

Note: CSBA staff met with representatives from CDE and OCR to discuss this policy and the accompanying administrative regulation. As a result, the sample policy and regulation have been drafted to go beyond the requirements of California's UCP laws and regulations in an attempt to address issues and concerns raised by CDE and OCR. While CDE and OCR have not approved or signed off on the samples, CSBA believes that the additional details provided herein may help school districts and county offices of education during any compliance check by CDE or in the event that a CDE or OCR investigation occurs.

The Governing Board recognizes that the district has the primary responsibility to ensure compliance with applicable state and federal laws and regulations governing educational programs. The Board encourages the early, informal resolution of complaints whenever possible and appropriate. To resolve complaints which cannot be resolved through such informal process, the Board shall adopt the uniform system of complaint processes specified in 5 CCR 4600-4670 and the accompanying administrative regulation.

The district's uniform complaint procedures (UCP) shall be used to investigate and resolve the following complaints:

1. Any complaint alleging district violation of applicable state or federal law or regulations governing adult education programs, consolidated categorical aid programs, migrant education, career technical and technical education and training programs, child care and development programs, child nutrition programs, and special education programs (5 CCR 4610)
 - (cf. 3553 - Free and Reduced Price Meals)
 - (cf. 3555 - Nutrition Program Compliance)
 - (cf. 5141.4 - Child Abuse Prevention and Reporting)
 - (cf. 5148 - Child Care and Development)
 - (cf. 6159 - Individualized Education Program)
 - (cf. 6171 - Title I Programs)
 - (cf. 6174 - Education for English Language Learners)
 - (cf. 6175 - Migrant Education Program)
 - (cf. 6178 - Career Technical Education)
 - (cf. 6178.1 - Work-Based Learning)
 - (cf. 6178.2 - Regional Occupational Center/Program)
 - (cf. 6200 - Adult Education)
2. Any complaint alleging the occurrence of unlawful discrimination (such as

discriminatory harassment, intimidation, or bullying) against any person, based on his/her actual or perceived characteristics of race or ethnicity, color, ancestry, nationality, national origin, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or any other characteristic identified in Education Code 200 or 220, Government Code 11135, or Penal Code 422.55, or based on his/her association with a person or group with one or more of these actual or perceived characteristics, in district programs and activities, including, but not limited to, those funded directly by or that receive or benefit from any state financial assistance (5 CCR 4610)

(cf. 0410 - Nondiscrimination in District Programs and Activities)
(cf. 4030 - Nondiscrimination in Employment)
(cf. 4031 - Complaints Concerning Discrimination in Employment)
(cf. 5145.3 - Nondiscrimination/Harassment)
(cf. 5145.7 - Sexual Harassment)

3. Any complaint alleging district violation of the prohibition against requiring students to pay fees, deposits, or other charges for participation in educational activities (5 CCR 4610)

(cf. 3260 - Fees and Charges)
(cf. 3320 - Claims and Actions Against the District)

Note: Item #4 below is mandated pursuant to Education Code 52075.

4. Any complaint alleging that the district has not complied with legal requirements related to the implementation of the local control and accountability plan (Education Code 52075)

(cf. 0460 - Local Control and Accountability Plan)

Note: 5 CCR 4621 mandates that district policy ensure that complainants are protected from retaliation as specified in item #5 below.

5. Any complaint alleging retaliation against a complainant or other participant in the complaint process or anyone who has acted to uncover or report a violation subject to this policy

Note: Pursuant to 5 CCR 4610, a district may, at its discretion, use the UCP to investigate and resolve other complaints.

6. Any other complaint as specified in a district policy

***Note: 5 CCR 4631 authorizes the district to utilize alternative dispute resolution (ADR) methods,

including mediation, to resolve complaints before initiating a formal investigation. However, the district should ensure that any ADR it uses, particularly in-person ADR, is appropriate for the particular situation. For example, in some instances (e.g., sexual assault), face-to-face mediation should not be used even if all parties voluntarily agree given the risk that a student might feel pressured to "voluntarily" agree to it. The following optional paragraph provides for a neutral mediator and should be revised to reflect district practice.***

The Board recognizes that alternative dispute resolution (ADR) can, depending on the nature of the allegations, offer a process to reach a resolution to the complaint that is agreeable to all parties. One type of ADR is mediation, which shall be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. The Superintendent or designee shall ensure that the use of ADR is consistent with state and federal laws and regulations.

Note: The following paragraph is mandated pursuant to 5 CCR 4621. Appropriate disclosure will vary in each case depending on the facts and circumstances.

The district shall protect all complainants from retaliation. In investigating complaints, the confidentiality of the parties involved shall be protected as required by law. As appropriate for any complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the Superintendent or designee shall keep confidential the identity of the complainant and/or the subject of the complaint, if he/she is different from the complainant, as long as the integrity of the complaint process is maintained.

(cf. 4119.23/4219.23/4319.23 - Unauthorized Release of Confidential/Privileged Information)
(cf. 5125 - Student Records)
(cf. 9011 - Disclosure of Confidential/Privileged Information)

When an allegation that is not subject to the UCP is included in a UCP complaint, the district shall refer the non-UCP allegation to the appropriate staff or agency and shall investigate and, if appropriate, resolve the UCP-related allegation(s) through the district's UCP.

The Superintendent or designee shall provide training to district staff to ensure awareness and knowledge of current law and related requirements, including the steps and timelines specified in this policy and the accompanying administrative regulation.

(cf. 4131 - Staff Development)
(cf. 4231 - Staff Development)
(cf. 4331 - Staff Development)

Note: It is important to maintain records of all UCP complaints and the investigations of those complaints. If the district is ever investigated by OCR or CDE, these are important documents in demonstrating that the district has complied with federal law, state law, and its own policies and regulations.

The Superintendent or designee shall maintain records of all UCP complaints and the investigations of those complaints. All such records shall be destroyed in accordance with applicable state law and district policy.

(cf. 3580 - District Records)

Non-UCP Complaints

Note: 5 CCR 4611 details complaint issues that are not subject to the UCP. Such issues include, but are not limited to, allegations of child abuse, health and safety complaints regarding a child development program, allegations of fraud, and employment discrimination complaints. For procedures related to complaints of discrimination in employment, see AR 4031 - Complaints Concerning Discrimination in Employment.

The following complaints shall not be subject to the district's UCP but shall be referred to the specified agency: (5 CCR 4611)

1. Any complaint alleging child abuse or neglect shall be referred to the County Department of Social Services, the County Protective Services Division, and the appropriate law enforcement agency.
2. Any complaint alleging health and safety violations by a child development program shall, for licensed facilities, be referred to Department of Social Services and shall, for licensing-exempt facilities, be referred to the appropriate Child Development regional administrator.
3. Any complaint alleging employment discrimination shall be sent to the California Department of Fair Employment and Housing and the compliance officer shall notify the complainant by first class mail of the transfer.
4. Any complaint alleging fraud shall be referred to the California Department of Education.

Note: Education Code 35186 requires the district to use the UCP, with modifications, to investigate and resolve complaints related to items #1-3 below (i.e., "Williams complaints"). Because Education Code 35186 sets forth different timelines for investigation and resolution of these kinds of complaints than the timelines specified in law for other uniform complaints, the CDE has created a separate uniform complaint process for the Williams complaints. See AR 1312.4 - Williams Uniform Complaint Procedures for the separate procedure.

In addition, the district's Williams Uniform Complaint Procedures, AR 1312.4, shall be used to investigate and resolve any complaint related to sufficiency of textbooks or instructional materials, emergency or urgent facilities conditions that pose a threat to the health or safety of students or staff, or teacher vacancies and misassignments. (Education Code 35186)
