

LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: Hillcrest Middle School

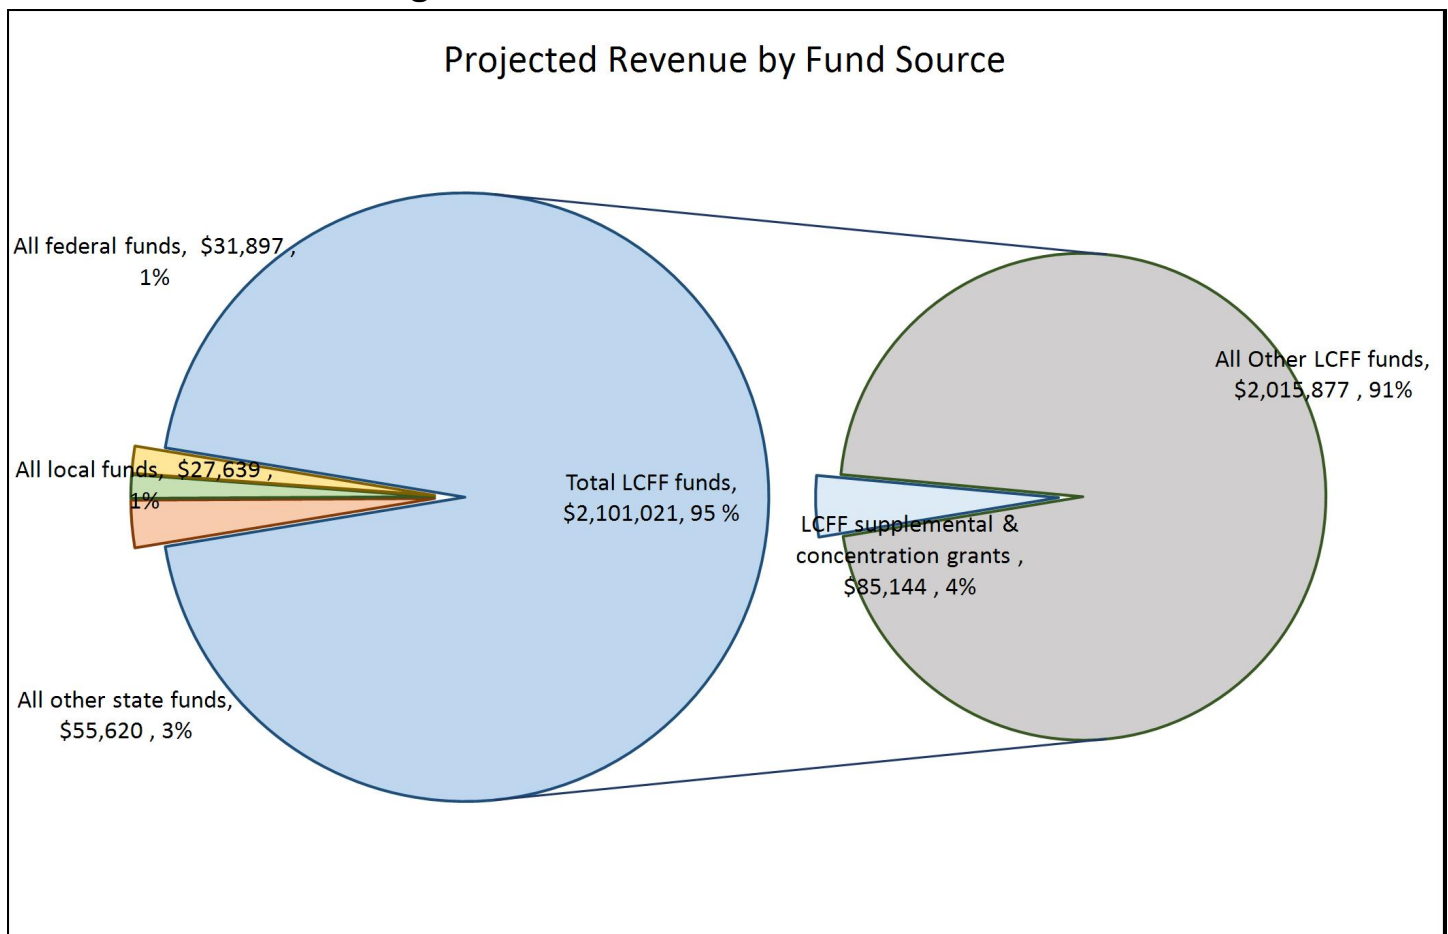

CDS Code: 49707146051759

Local Control and Accountability Plan (LCAP) Year: 2019-20

LEA contact information: Jennifer Schiwnn, Superintendent

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

Budget Overview for the 2019-20 LCAP Year

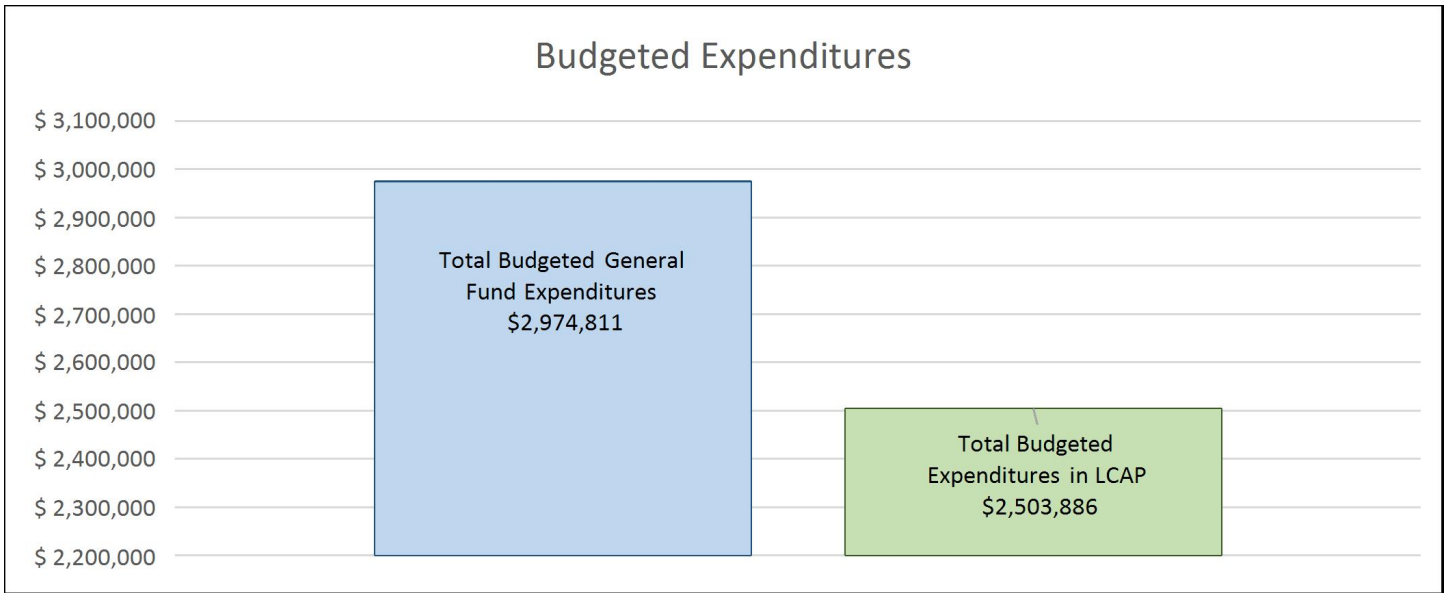

This chart shows the total general purpose revenue Hillcrest Middle School expects to receive in the coming year from all sources.

The total revenue projected for Hillcrest Middle School is \$2,216,177, of which \$2,101,021 is Local Control Funding Formula (LCFF), \$55,620 is other state funds, \$27,639 is local funds, and \$31,897 is federal funds. Of the \$2,101,021 in LCFF Funds, \$85,144 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much Hillcrest Middle School plans to spend for 2019-20. It shows how much of the total is tied to planned actions and services in the LCAP.

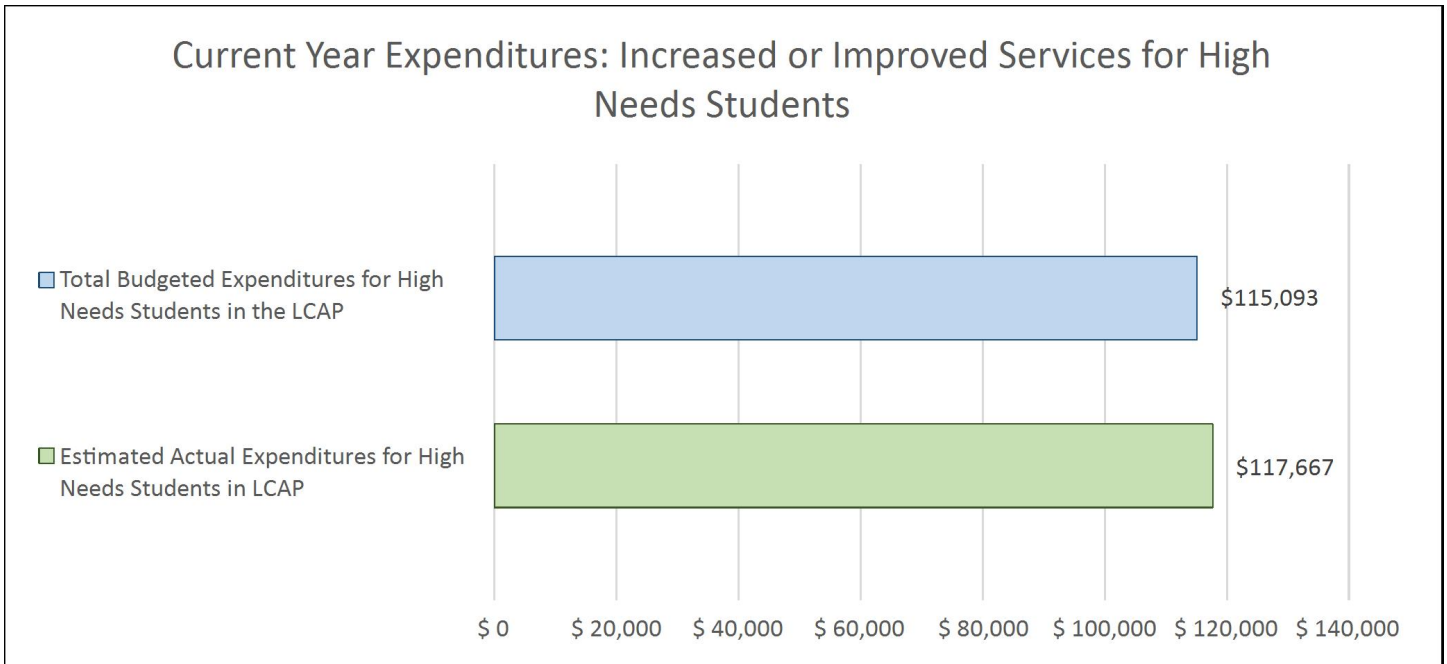

Hillcrest Middle School plans to spend \$2,974,811 for the 2019-20 school year. Of that amount, \$2,503,886 is tied to actions/services in the LCAP and \$470,925 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

Increased or Improved Services for High Needs Students in 2019-20

In 2019-20, Hillcrest Middle School is projecting it will receive \$85,144 based on the enrollment of foster youth, English learner, and low-income students. Hillcrest Middle School must demonstrate the planned actions and services will increase or improve services for high needs students compared to the services all students receive in proportion to the increased funding it receives for high needs students. In the LCAP, Hillcrest Middle School plans to spend \$110,612 on actions to meet this requirement.

LCFF Budget Overview for Parents

Update on Increased or Improved Services for High Needs Students in 2018-19

This chart compares what Hillcrest Middle School budgeted last year in the LCAP for actions and services that contribute to increasing or improving services for high needs students with what Hillcrest Middle School estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

In 2018-19, Hillcrest Middle School's LCAP budgeted \$115,093 for planned actions to increase or improve services for high needs students. Hillcrest Middle School estimates that it will actually spend \$117,667 for actions to increase or improve services for high needs students in 2018-19.

2019-20

Local Control Accountability Plan and Annual Update (LCAP) Template

[Addendum](#): General instructions & regulatory requirements.

[Appendix A](#): Priorities 5 and 6 Rate Calculations

[Appendix B](#): Guiding Questions: Use as prompts (not limits)

[California School Dashboard](#): Essential data to support completion of this LCAP. Please analyze the LEA's full data set; specific links to the rubrics are also provided within the template.

2017-20 Plan Summary

The Story

Describe the students and community and how the LEA serves them.

Gravenstein Union School District is a Transitional Kindergarten through 8th grade school district with an enrollment of approximately 750 students, most of who come from English speaking homes. The District is located in a rural section of Sebastopol in Western Sonoma County. The District serves a primarily rural population in an area of limited growth. Approximately ninety four percent of the property located within the school district boundaries is zoned "rural residential" in the Sonoma County General Plan. This zoning classification affects the number of students living within the district. Approximately 65% of the students attending our schools live outside of the original district boundaries.

There are four schools in the District. Gravenstein Elementary School is a TK-5 charter school with the exception of some first grade classes (called Gravenstein First School).

Hillcrest Middle School is a 6th - 8th grade middle school which is a charter school, and the District also has a Community Day School. The District has a TK-8 Magnet/GATE Program at both campuses (ENRICH!).

The sites reflect the rural nature of the community. The relatively small enrollment at each site, excellent staff and very involved parents have worked together to establish a student body that has achieved some of the highest API and testing scores in Sonoma County for the last 15 years.

All TK-5th grade classes at Gravenstein Elementary are self-contained. Primary classes (TK-3) have an approximate ratio of 20-1 and middle grades average an approximate ratio of 25-1. Instructional and temporary support assistants, are utilized in Grades TK-8 according to need in the classroom. Instructional assistants work in conjunction with the Special Education Teachers to instruct in Learning Labs at both campuses. The Learning Labs are operated through state and federal funding to serve students who need intervention or tutoring. This setting provides additional services in the areas of Reading/Language Arts and Math to identified and/or below-grade-level students. Other

services available to Gravenstein Union School District students (on both campuses) include the Speech and Language Program; a school psychologist; and school counselor. The same services are available at the middle school campus.

Students in grades TK through 5 receive music instruction one day per week and additional band time by the district's music specialist. Visual art is also part of the Gravenstein School program. Classroom teachers and an art specialist provide this program. Hillcrest Middle School has a variety of scheduled music, art and drama programs. Our grade K-8 Magnet/GATE Program (Enrich!) requires a longer school days to include additional field trips and visual and enrichment classes. The school district utilizes a social emotional learning program (SEL) entitled Second Step. Empathy, Emotion Management, Impulse Control, Problem Solving and Anger Management are some of the topics covered.

Changes to Gravenstein Elementary School's LCAP:

*In past years GUSD completed one LCAP and applied it to all schools equally. In 2017-18, the Superintendent worked with a District LCAP Stakeholder Committee to update the LCAPs by eliminating actions that do not pertain to the Gravenstein Elementary School site, and to add actions and services designed to meet the specific needs of the elementary school students. We believe this will create a more meaningful plan for each District school. That effort to establish unique LCAPs for Hillcrest Middle School, Gravenstein Elementary, and the District continued in 2018-19.

LCAP Highlights

Identify and briefly summarize the key features of this year's LCAP.

This year's LCAP strives to provide additional student services that will address the needs of our most at-risk students and help them succeed in school. In analyzing student data, we recognize that we have successfully helped our English Learners close the achievement gap between their English speaking peers. However, we still have work to do to address the needs of students in the low-SES subgroup to succeed. Their achievement gap is wider between their achievement level and that of their more affluent peers. We added a full time School Counselor to the District to address the mental health needs of our K-8th grade students. We are also added Teaching Assistant positions to provide more classroom support to struggling students in a Multi-Tiered Systems of Response to Intervention approach.

We are also making improvements to the facility on all District campuses, to improve energy efficiency and add needed ADA accessibility and safety features (e.g. ADA access to playing field at HMS; window covering for all classrooms allowing for lockdown and reduced classroom temperatures for student comfort and safety; solar and lighting changes for energy efficiency).

Review of Performance

Based on a review of performance on the state indicators and local performance indicators included in the California School Dashboard, progress toward LCAP goals, local self-assessment tools, stakeholder input, or other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for low-income students, English learners, and foster youth have led to improved performance for these students.

Greatest Progress

Based on review of the rubric data, CAASPP data, teacher recommendation, School Site Council and other stakeholder input:

- The District appears successful in many areas. Blue-colored pie charts make up the majority of rubrics.
- The District has successfully made progress in goal areas around adding CCSS materials and give students access to 21st century technology.
- All students overall at the Hillcrest Middle School are successful in ELA and Math.
- We are proud that the performance level of EL students is med-high in ELA. However, EL student performance declined slightly at the middle school level in math in 2018.

Referring to the California School Dashboard, identify any state indicator or local performance indicator for which overall performance was in the “Red” or “Orange” performance category or where the LEA received a “Not Met” or “Not Met for Two or More Years” rating. Additionally, identify any areas that the LEA has determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the LEA planning to take to address these areas with the greatest need for improvement?

Greatest Needs

2018 Hillcrest CAASPP results indicate the following needs:

- We are proud that the performance level of EL students is med-high in ELA, and increasing in proficiency. However, EL student performance is low at the middle school level in math.
- The low-SES subgroup of students is not progressing academically at the same rate as their more affluent peers at the middle school level -- performance levels low in math and in ELA.
- The District is seeking to add a PPS School Counselor to provide academic support to students by partnering with families to strengthen the home/school connection.
- The suspension rate among the students with disabilities SWD has increased at Hillcrest Middle School
- This statistic requires further investigation.
- The addition of a PPS School Counselor could help improve behavior among students with disabilities, thereby reducing suspensions.
- The Socio-economically disadvantaged SED subgroup of students is not progressing academically at the same rate as their more affluent peers at the middle school level -- especially in the area of math where SED scored 58 points below proficiency in 2018.

Referring to the California School Dashboard, identify any state indicator for which performance for any student group was two or more performance levels below the “all student” performance. What steps is the LEA planning to take to address these performance gaps?

Performance Gaps

- Students at the Hillcrest Middle School are successful in all reportable areas in all sub groups, except students with disabilities SWD. This subgroup has the largest achievement gap in both ELA and Math. This subgroup should be an area of focus going forward.

2018 CAASPP results reveal the following:

All students and EL students are at proficiency in ELA

SED and SWD are below proficiency in ELA

All students, white and English speakers are at grade level in Math, but all other subgroups are below proficiency (e.g. SED, SWD, EL)

Steps:

- Students at the Hillcrest Middle School are successful in all reportable areas in all sub groups, except students with disabilities SWD. This subgroup has the largest achievement gap in both ELA and Math. This subgroup should be an area of focus going forward.
- Hillcrest administrative and special education teaching staff needs to analyze why students with disabilities (SWD) are not showing the same increased performance that students in all other sub groups (and all students in general) are demonstrating.

Questions to ask may include: Is the replacement curriculum used in the Learning Lab addressing the new standards? Is the pull out model working? (Some students spend 50% of their day outside the general education classroom, which may result in loss of instruction or exposure to grade level curriculum that all other students access in the general education setting.)

- The District added a PPS School Counselor to provide academic support to students by partnering with families to strengthen the home/school connection for these struggling subgroups

Comprehensive Support and Improvement

An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts.

Schools Identified

Identify the schools within the LEA that have been identified for CSI.

N/A

Support for Identified Schools

Describe how the LEA supported the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.

N/A

Monitoring and Evaluating Effectiveness

Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

N/A

Annual Update

LCAP Year Reviewed: 2018-19

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Goal 1

Goal #1: The district goal to increase the percentage of students performing at or above grade level standards in all subgroups.

State and/or Local Priorities addressed by this goal:

State Priorities: Priority 1: Basic (Conditions of Learning)
 Priority 4: Pupil Achievement (Pupil Outcomes)
 Priority 5: Pupil Engagement (Engagement)
 Priority 7: Course Access (Conditions of Learning)
 Priority 8: Other Pupil Outcomes (Pupil Outcomes)

Local Priorities:

Annual Measurable Outcomes

Expected

Metric/Indicator

CAASPP, PFT, etc. as seen above

This District is a K-8 school system so the following metrics are not applicable:

4C – Percent of pupils who have successfully completed courses that satisfy the requirements for entrance to the UC, CSU or Career technical education sequences or programs of study that align with state board approved career technical education standards and frameworks.

4F – Percent of pupils who have passed an advanced placement examination with a score of 3 or higher.

4G – Percent of pupils who participate in, and demonstrate college preparedness pursuant to, the Early Assessment Program, or any subsequent assessment of college preparedness.

5D – High school drop out rate

5E – High school graduation rate

API-No longer used

Actual

- The District appears successful in many areas. Blue-colored pie charts make up the majority of rubrics on the Dashboard.

Highlights from CAASPP data include:

72% Of all Hillcrest students Exceeded or Met Standards in ELA

54% Of all Hillcrest students Exceeded or Met Standards in Math

Students improved or held consistent in ELA in all subgroups over the previous year and held consistent in Math over the previous year, with the exception of the hispanic subgroup, which declined.

Students with Disabilities (SWD) subgroup increased slightly, yet the subgroup is performing significantly lower than all students at Hillcrest. Students in that subgroup are performing below standard. This is an area for focus going forward.

Expected

18-19

Student performance on:

- State tests will increase by 2 percentage points per year.
- Local Assessments/ Benchmarks: Students at benchmark will increase by 2 percentage points per year
- Fitness: Number of students in the healthy fitness zone on all 6 measures will increase by 2 points per year.

100% student access to classes with appropriately credentialed teachers will be maintained.

100% student access to the grade-level appropriate core curriculum for all students and for unduplicated students and students with exceptional needs.

100% of teachers are appropriately credentialed, highly qualified and have the appropriate EL authorization.

Baseline

See result of standardized assessments above
Middle school dropout rate is zero.

Actual

100% student access to classes with appropriately credentialed teachers was maintained.

100% student access to the grade-level appropriate core curriculum for all students and for unduplicated students and students with exceptional needs. However, since the SWD subgroup is not progressing like the others, we need to review the Learning Lab curriculum for effectiveness and whether it is adequately tied to the new standards.

Physical Fitness Testing Data for 2018-19 was not yet available in June 2019.

100% of teachers are appropriately credentialed, highly qualified and have the appropriate EL authorization.

Actions / Services

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

Actions were implemented as planned.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The actions were successful in achieving the goal of increasing the percentage of students reaching proficiency in most subgroups with the exception of the SWD subgroup. On the other hand, EL subgroups showed strong growth in increased proficiency and SED stayed consistent.

Students with Disabilities (SWD) is the only subgroup that is not progressing. Students in that subgroup are performing below standard. This is an area for focus going forward. We need to review the Learning Lab curriculum for effectiveness and whether it is adequately tied to the new standards. We might ask if SWD are being denied adequate access to standards based curriculum because they are out of the general education setting (approximately 50% of the day) in a pull out program.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

The material increases between budget and estimated actuals were due to Board approved retroactive salary increases.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

No changes expected

See above 2016 results

Actual

- The District appears successful in many areas. Blue-colored pie charts make up the majority of rubrics on the Dashboard.

Highlights from 2018 CAASPP data include:

72% Of all Hillcrest students Exceeded or Met Standards in ELA (same as 2017)

54% Of all Hillcrest students Exceeded or Met Standards in Math (5% lower than 2017)

A closer look is needed with regard to subgroups:

Students improved or held consistent in ELA in all subgroups over the previous year, except hispanic which dropped 10 points.

All subgroups dropped in math, except SED which stayed the same, and SWD improved slightly. Though Students with Disabilities (SWD) subgroup increased slightly, the subgroup is performing significantly lower than all students at Hillcrest. Students in that subgroup are performing 83 points below standard in math. This is the largest achievement gap in the district.

Expected

Actual

This is an area for focus going forward to replace the " 2% increase metric"

The new metric would be to ensure all sub groups are performing at standard. We need the SWD subgroup to begin closing a large achievement gap.

The baseline for 2018-19 is SWD performing:

53 points below standard in ELA

83 points below standard in Math

NEW METRIC:

Seek to increase SWD subgroup by minimum of 15 points per year until gap closed.

Actions / Services

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action 1

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
4.1 Intensive support for eligible students with disabilities Various placements and services per IEPs	4.1 Intensive support provided for eligible students with disabilities Various placements and services per IEPs, 504s	04-3310 & 6500-0-xxxx-xxxx-xxxx-104-0000 1000-1999: Certificated Personnel Salaries Special Education \$97,712	04-3310 & 6500-0-xxxx-xxxx-xxxx-104-0000 1000-1999: Certificated Personnel Salaries Special Education \$113,412

4.3 Instructional resources (e.g. IXL; Language Live!) will be used to provide targeted remediation for students performing below grade level standards in ELA & Math.	4.3 Instructional resources (e.g. IXL; Language Live!) were used to provide targeted remediation for students performing below grade level standards in ELA & Math.	04- 1100&0000- 0- 1110- 1000- 4340- 104- 0000 4000-4999: Books And Supplies LCFF \$2,337	04- 1100&0000- 0- 1110- 1000- 43**- 104- 0000 4000-4999: Books And Supplies LCFF \$5,230

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

All the planned actions and services meant to support struggling students were carried out.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The strategies were successful in the following ways:

- Achievement levels were maintained in ELA from 2017

The strategies were not successful in achieving math proficiency, as scores declined. Math scores are lower than ELA overall. Hillcrest administration and staff needs to investigate further why the math proficiency of our middle school students is declining.

The strategies were not effective in supporting Students with Disabilities (SWD) reach proficiency. The SWD subgroup has a significant achievement gap to improve.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

The material differences between the budget and estimated actuals is due to retroactive Board approved salary increases.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

Going forward, we want to adapt the metric from measuring success by "2% increase" because it does not address the complexity of subgroups and achievement gaps.

The subgroup that is not meeting standard is Students with Disability (SWD). Administration needs to analyze factors contributing to low SWD performance. Review resources and curriculum; time in vs out of general education setting; and set goals with the Special Education and General Education teaching staff to shrink this achievement gap.

The new metric would be to ensure all sub groups are performing at standard. So we need the SWD subgroup to begin closing a large achievement gap.

The baseline for 2018-19 is SWD performing:

53 points below standard in ELA

83 points below standard in Math

NEW METRIC:

Seek to increase SWD subgroup by minimum of 15 points per year until gap closed.

Annual Update

LCAP Year Reviewed: **2018-19**

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Goal 5

Goal #5: English Learners (ELs) will acquire full proficiency in English as rapidly and effectively as possible and attain parity with native speakers of English in English Language Arts and Math.

State and/or Local Priorities addressed by this goal:

State Priorities: Priority 2: State Standards (Conditions of Learning)
 Priority 4: Pupil Achievement (Pupil Outcomes)

Local Priorities:

Annual Measurable Outcomes

Expected

Metric/Indicator

CA School Dashboard results

The CA School Dashboard is a new metric available to track student progress, including EL subgroups. It takes into account the CELDT scores.

18-19

5% annual increase over the previous year in English Learner Progress in Math and ELA, as measured on the CA School Dashboard.

Baseline

The Hillcrest EL students are performing at low levels and have "maintained" their performance levels.

The EL students at Gravenstein Elementary are performing at high and very high levels, and demonstrated "significant" improvements in the last year, as well.

Actual

English Learners made excellent academic progress in ELA in the last year.

The 2018 CA Dashboard shows that EL students at Hillcrest increased in ELA over 2017, and EL students are performing at grade level. At Hillcrest, the EL subgroup scored 23 points above standard in ELA in 2018.

The EL subgroups proficiency in math declined slightly in 2018. The EL subgroup performance is low in math, scoring 41 points below grade level proficiency.

Actions / Services

progress, to ensure school success

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

All strategies were implemented as planned.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The strategies proved to be successful in ELA, as our EL students continue to perform at a high level, demonstrate annual increases in ELA. However, the performance in math at Hillcrest was not as strong. This math proficiency issue is not just impacting English Learners.

All other subgroups are performing below grade level standard in math – e.g. EL, SED, SWD, Hispanic. So the administration and teachers need to investigate why the math program is not more successful.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

No changes recommended.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

Annual Update

LCAP Year Reviewed: **2018-19**

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Goal 6

Goal #6: Appropriate academic and social/emotional support will be given to students who are struggling academically and/or socially.

State and/or Local Priorities addressed by this goal:

State Priorities: Priority 4: Pupil Achievement (Pupil Outcomes)
 Priority 6: School Climate (Engagement)
 Priority 8: Other Pupil Outcomes (Pupil Outcomes)

Local Priorities:

Annual Measurable Outcomes

Expected

Metric/Indicator

CAASPP data including:
ELA, Math, Science, Suspension and Expulsion data, per the CA School Dashboard

18-19

Students identified as needing intervention will show at least a 2% increase in proficiency as measured by State tests and teacher reports.
Reduce students not meeting standards by 2% over previous year's results.
Maintain suspensions and expulsions at zero.

Baseline

See above CAASPP data including:
ELA, Math, Science, Suspension and Expulsion data

Actual

In 2018:

- The "all student" group maintained in high performance in ELA and dropped slightly in Math since 2017.
- EL improved in ELA and SWD improved in ELA and Math, over 2017.
- Students in the Socio-economically disadvantaged (SED) maintained proficiency in ELA and Math.

Highlights from 2018 CAASPP data include:

72% Of all Hillcrest students Exceeded or Met Standards in ELA (Up 5% from 2017's 72% proficient)

54% Of all Hillcrest students Exceeded or Met Standards in Math (Up 2% from 2017's 59% proficient)

The percent of students not meeting standards increased in 2018, over previous year's results.

Expected

Actual

In 2017:
 11% of students did not meet standard in ELA
 17% of students did not meet standard in Math
 In 2018 the percentage of students that did not meet standard was reduced:
 13% of students did not meet standard in ELA
 22% of students did not meet standard in Math
 The concern is that the achievement gap is increasing. The number of students failing is growing, especially in math.
 Students with Disabilities (SWD) is the subgroup that is performing at the lowest levels. Students in that subgroup are performing below standard. This is an area for focus going forward.
 Suspensions maintained at the same low rate.
 Expulsions remained at zero.

Actions / Services

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action 1

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

The strategies were implemented as planned.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The strategies were effective in providing additional social emotional support for students. Hillcrest took a big step forward in providing for students' social and emotional wellbeing with the addition of a School Counselor in 2018-19. Updated Second Step social-emotional learning curriculum was purchased in 2018-19 and lessons were provided by the teachers and school counselor.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Although a School Counselor was hired at the beginning of the year, the employee resigned in January and a replacement Counselor could not be found until the very end of the year.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

No changes expected.

Goal 7

Goal #7: Facilities are safe, well-maintained, and conducive to learning and include technology.

State and/or Local Priorities addressed by this goal:

State Priorities: Priority 1: Basic (Conditions of Learning)

Local Priorities:

Annual Measurable Outcomes

Expected

Metric/Indicator

The annual results from the Facility Inspection Tool

18-19

FIT survey will continue to indicate that all school facilities are clean and well maintained. All areas are rated as "good"

Baseline

All facilities rated "good"

Actual

The 2018-19 FIT survey once again indicated that all school facilities are clean and well maintained. All areas were rated as "good."

Hillcrest received the following facility upgrades in 2018-19:

- New LED lighting via Prop 39 funds.
- A new STREAM Lab Library/Media Center was installed.
- New drinking fountains were installed outside.
- New ADA accessible walkways were installed.
- A parking structure with new solar power is planned for summer 2019.

RESIG conducted annual safety inspection, and facility was in compliance with their requirements.

Air quality in classrooms was monitored during wildfires, and MERV 11-13 filters were installed, resulting in safe air space for students and staff.

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

All the strategies were implemented as planned.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The effect of the strategies was continued good condition of the Hillcrest facilities as indicated on the 2018-19 FIT.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Expenses increased for salaries & benefits due to Board approved increases. Budgeted expense for blinds was too low once the estimate was approved. STREAM Lab expenses were adjusted to correct budgets as the actual items were identified. Some STREAM Lab equipment was purchased in the prior year so the expense was lower than budgeted for the 2018-19.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

Because the original 7.3 action was ended, the subsequent actions were re-numbered.

Annual Update

LCAP Year Reviewed: **2018-19**

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Goal 8

Goal #8: Maintain wireless availability for technology that has been purchased.

State and/or Local Priorities addressed by this goal:

State Priorities: Priority 1: Basic (Conditions of Learning)
 Priority 8: Other Pupil Outcomes (Pupil Outcomes)

Local Priorities:

Annual Measurable Outcomes

Expected

Metric/Indicator

Ratio of number of students to number of computer devices

18-19

- Students will be increasing needed skills according to the technology plan.
- The wireless system will have reliability on campus 98% of the time.
- The student to computer ratio will be 2:1 district wide for TK-1st grade and 1:1 2nd-8th grade.

Baseline

2016-17

TK-1st 6:1 plus Computer lab
2-8th 1:1

Actual

- Students at Hillcrest continued to increase computer skills according to the technology plan.
- Teachers reported the wireless system was reliable 100% of the time. The addition of the Meraki system (and Dark Fiber) really built up the technology infrastructure to manage continued growth for next 5-10 years.
- The student to computer ratio was 1:1 6th-8th grade.
- Additional chrome books were added to the science and Spanish classrooms to support the tech-rich curriculum.

A new STEAM lab with updated computers and maker space was added.

Actions / Services

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action 1

Describe the overall implementation of the actions/services to achieve the articulated goal.

The strategies were implemented as planned.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The strategies has the desired effect to ensure reliable IT services on campus.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Dark Fiber was installed but the payment plan approved by the Board of Trustees was broken up over three years. The first year was paid in 2018-19.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

No changes expected.

Annual Update

LCAP Year Reviewed: 2018-19

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Goal 9

Goal #9: Students experiencing chronic absenteeism will be supported in attending school through individual conferencing or home visits to determine the need. This will include the need to go to their home school district if distance to school is the issue.

State and/or Local Priorities addressed by this goal:

State Priorities: Priority 3: Parental Involvement (Engagement)
 Priority 5: Pupil Engagement (Engagement)
 Priority 6: School Climate (Engagement)
 Priority 7: Course Access (Conditions of Learning)
 Priority 8: Other Pupil Outcomes (Pupil Outcomes)

Local Priorities:

Annual Measurable Outcomes

Expected

Metric/Indicator

Attendance and truancy rates
Success rate in reaching parents via weekly newsletter

18-19

- Attendance of truant students will improve by 20%
- Goal attendance rate 97.5 %to 98.5%
- 100% Parent involvement/engagement including the parents of unduplicated students and parents of students with exceptional needs. 3A, 3B, 3C

Baseline

See data above

Actual

Chronic absenteeism needs to be an area of focus for Hillcrest. In 2018, chronic absenteeism increased in the following subgroups: SED, SWD, and Hispanic. Overall, absenteeism is too high at Hillcrest, and the ADA of only 93% is problematic for a number of reasons, including loss of instructional minutes and loss of revenue.

- We did not reach the overall goal of 97.5 % to 98.5%

2018 Attendance rate:

At Gravenstein Elementary was 95%

At Gravenstein District 97%

At Hillcrest 93%

Expected

Actual

- 95% of all parents of unduplicated students and parents of students with exceptional needs attended the IEP, 504, and SST meetings planned for their students, demonstrating high level of engagement.

Increasing attendance rates to the goal of 97.5-98.5% needs to continue to be an area of focus.

9.6 SARB process employed for students with chronic absenteeism	9.6 SARB process was employed for students with chronic absenteeism	Included in 9.5 2000-2999: Classified Personnel Salaries LCFF \$0	Included in 9.5 2000-2999: Classified Personnel Salaries LCFF \$0

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

The strategies were implemented as planned.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The strategies were not effective in reaching the overall goal. Chronic absenteeism increased, especially among the SED, SWD, and Hispanic subgroups.

The strategies are good, but perhaps the SARB process could be applied with more diligence beginning in September, with monthly truancy reports, truancy letters and SARB meetings.

Increasing attendance rates to the goal of 97.5-98.5% needs to continue to be an area of focus.

Also, the Independent Study Contract system is not being managed effectively enough. Far too many contracts go incomplete for months, and eventually, contribute to the decreased ADA of 93%.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

The expense for a School Secretary was higher than originally projected.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

No changes expected.

Annual Update

LCAP Year Reviewed: **2018-19**

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Goal 10

Goal #10: All students will be involved in school wide programs to boost school pride and a feeling of belongingness of each child, to treat others with respect, kindness and compassion, and to ensure that bullying and inappropriate behavior that distracts students from learning is not happening. This includes the use of Second Step lessons in all classrooms.

State and/or Local Priorities addressed by this goal:

State Priorities: Priority 6: School Climate (Engagement)

Local Priorities:

Annual Measurable Outcomes

Expected

Metric/Indicator

Suspension rates, Expulsion rates
School climate data

18-19

- Keep suspension rates below 2%
- Maintain (0) Expulsions
- Address concerns from the local climate survey of maintaining the safe school climate and students feeling connected to school

Baseline

Please see data above

Actual

- Students feel they could use more teacher support in math.
- The Special Education program also got some mixed reviews. More students disliked the program than liked it.
- It was surprising that 21% of students did not know what the consequences were for breaking rules, and another 23% think that consequences are insufficient. In fact, some students commented that more consistent consequences are needed for students who engage in bullying.
- 54% of students feel they treat each other with respect.

18-19

- 2018, suspension rates were low overall, except in the area of students with disabilities. In 2018-19 the suspension rate overall remained low, and increased dramatically in the area of SWD.
- Maintained (0) Expulsions in 2018-19.
- Addressed concerns from the local climate survey of maintaining the safe school climate and students feeling connected to school.

Expected

Actual

- Hillcrest conducted a 2019 spring student health and safety survey and parent climate survey to track perceptions of safety and connectedness.
- Students report safety and school connectedness very high.

Some highlights from the student survey include:

92% of students grades 6-8 have NOT tried alcohol

94% of students grades 6-8 have NOT tried tobacco or e-cigarettes

92% of students grades 6-8 have NOT tried marijuana

Only 63% of students feel they have a connected relationship with a caring adult at school.

Some highlights from the parent LCAP survey include:

- Parents report high levels of satisfaction with the academic programming, with the exception of the Spanish program.
- 33% of Parents report that their children think that bullying is a problem at Hillcrest.
- 83% of parents feel connected to school

Actions / Services

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action 1

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
10.1 Continue 6-8 Implementation of Second Step and other lessons geared toward healthy choices in all classrooms.	10.1 Continued 6-8 Implementation of Second Step and other lessons geared toward healthy choices in all classrooms. Purchased updated Second Step curriculum in 18-19.	04-0000-0-1110-1000-4310-104-0000 4000-4999: Books And Supplies LCFF \$1,000	04-0000-0-1110-1000-4310-104-0000 4000-4999: Books And Supplies LCFF \$1,000

Action 2

10.8 All students are included in intramural (i.e. “House”) activities; athletics; and service projects to build a sense of community.	10.7 All students were included in intramural (i.e. “House”) activities; athletics; and service projects to build a sense of community.	04- 0000- 0- 1138- 4100- 1130- 104- 0000 1000-1999: Certificated Personnel Salaries LCFF \$4,000	04- 0000- 0- 1138- 4100- 1130- 104- 0000 1000-1999: Certificated Personnel Salaries LCFF \$3,000

Analysis

Complete a copy of the following table for each of the LEA’s goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

The services were implemented as planned. Perhaps the resources were implemented with more fidelity in some classrooms than others.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The survey results were positive overall. Yet, the staff needs to further investigate the new feedback gathered from the spring surveys. The principal and teachers could communicate about how is needed to increase fidelity of use of Second Step.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Additional field trips were added for all students in each grade level, which increased the expense.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

The previous 10.3 action was in the wrong place and so was ended. Therefore, the subsequent actions were re-numbered.

In 2019-20, the Enrich! program is expected to be available to all students -- including all field trips (10.6). This should boost sense of belonging for all students and teachers.

No changes to goals anticipated for 2019-20.

Stakeholder Engagement

LCAP Year: 2019-20

Involvement Process for LCAP and Annual Update

How, when, and with whom did the LEA consult as part of the planning process for this LCAP/Annual Review and Analysis?

The Board of Trustees, Site Council/LCAP Advisory Committee, students, and teachers participated in discussions around the LCAP priorities and goals. Teachers, Parents, and Classified staff were represented in the Site Council. A teachers' union representative participated in the Site Council/LCAP Advisory Committee. The Superintendent made a request through the weekly emails for parent representation for the English Learners on the LCAP Advisory Committee. The LCAP Advisory Committee had a parent who represented the EL community. The Superintendent consulted and gathered information from the students. Students also brought requests and concerns to the Superintendent either individually, in small groups, or in writing.

On Jan 23, 2019, February 20, 2019, March 27, 2019, and April 17, 2019:

School Site Council & LCAP Advisory Committee reviewed the LCAP for 2019/20.

The administrators presented Section 2: Goals, Actions, Expenditures and Progress Indicators of the LCAPs. The committee then reviewed and discussed each goal and the actions. We conducted an analysis for the update section of this year's LCAPs, and addressed any changes needed for next years' LCAPs.

Spring 2019:

Stakeholder surveys were provided to all district parents to gain feedback on the LCAP, programs, as well as perceptions of belonging and student safety.

Differentiated health and safety surveys were provided to all 3-5th and 6-8th grade students.

Surveys were designed to gather LCAP feedback from parents and another survey for student feedback.

Survey results were reviewed by Site Council/LCAP Committee.

On April 18, 2019 Principal Pugno held an open stakeholders meeting to encourage students, staff, parents, Trustees, and community members to give input on the District's LCAPs.

- One parent participated and gave the feedback that she like the addition of the LCAP surveys.

Final review of 2019-20 LCAPs. Recommendation of three LCAPs for 2019-20 to the Board for approval.

Date of public hearing for LCAP and Budget : June 11, 2019

Date of approval for LCAP and Budget: June 28, 2019

Superintendent Schwinn met with Student Council representatives on May 18, 2017 to review the 2017-20 goals and consider actions to explain the LCAP goals and to receive input from the student body for the LCAP. The students gave the following feedback on each of the LCAP goals and associated actions/services. This student feedback is preserved as a guide. We are still fulfilling our promises to them.

Goal 1:

- We have great teachers!
- Classes are a good size, and they can get help from the teachers.
- Everyone has enough textbooks.
- Make sure TK-1st grade are getting access to computers by going to the computer lab a lot. "They can't type."
- They would like to see more small focus-related tools like fidgets and stress balls available to all students in classrooms. They say sometime the wobble chairs that are currently used can be a distraction to other nearby students.

Goal 2:

- More ELD help for students was added and should keep going. It helps.
- They are Ok with their teachers going to training. It helps their class.

Goal 3:

- 3rd grade is not really using the social studies textbook. They are accessing history via ELA.
- They like the new IXL program and want to use it more.
- Make resources for tutoring available.
- Some tutoring is available for students who go to Daycare.

Goal 4:

- No feedback

Goal 5:

- More ELD help for students was added and should keep going. It helps.

- Can we have Spanish speaking students and teachers spend time with Spanish speaking newcomers to make sure they feel welcome.

Goal 6:

- Sometimes students don't really have a way to get help with social/emotional problems.
- Teacher run weekly class meetings help work out "drama."
- They think we should get one School Counselor that the kids can get to know and feel comfortable talking to about their problems.
- They suggest we make a friendship bench for each playground both campuses, and put it on the playground where kids can sit if they want someone to play with. Then another student can see them sitting there and come invite them to play. They suggest painting a message on the benches like "If you want a friend, be a friend."
- They wonder if the library can be opened at recess for another place for kids to relax and read at breaks.

Goal 7:

- Mostly they think the schools look very nice, but here are areas where they see room for improvement:
- Kids should stop digging in the fields and track. It is dangerous. Kids trip in holes.
- They think digging is happening in daycare.
- Current holes need to be filled.
- Stop/clean up writing in the girl's room.
- Little kids are scratching on the partitions in the bathrooms
- Rocks on the track make people slip.
- They'd like a second tetherball pole installed.

Goal 8:

- Internet can be somewhat slow at times, but rarely lose service.
- Students are kicked off about 1X every two months.
- That looks like a significant improvement over last years.

Goal 9:

- To support students that are absent it would be helpful if every teacher had a website where they posted their homework. Then they could check for assignments when they are home with an illness.
- They appreciate that lunches are provided but students in the feedback group had dietary restrictions like gluten free and vegan, and they found that most food offered at school is not suitable for them.

They appreciate when classroom parents accommodate their dietary restrictions in class parties.

They wish there was more awareness of dietary limits so all kids can join in on the fun and not feel left out.

- They think parents and kids should not gossip about why kids are absent.

Goal 10:

Second Step program is used with variable fidelity. Teachers also employ other methods to build a community of caring. For example:

- 3rd grade uses the lessons a couple times per year, and they use other practices like "class appreciations" more frequently.
- 4th grade felt reading meaningful books, such as "Wonder" this year, helped them talk about issues like bullying and allowed them to have lessons that contributed to this goal.
- 5th grade is not using Second Step, but instead they use Go Noodle to help make kids feel better. They use Restorative Justice circle, and events like "Girls' Lunch" to help them work out problems.
- Additional Student Outreach and Superintendent's Response:
 - Supt. Schwinn followed up by raising some of the concerns raised by Student Council at the school-wide, weekly assemblies.
 - Mrs. Schwinn let all the students know if there is any additional input, please let her know.
 - Students in small groups and as individuals collaborated with Supt. Schwinn throughout the school year to address many of the concerns listed above.

Planned actions as result of student feedback:

- 1 or 2 "friendship benches (as described by students above) are planned for the elementary playground. 2 classrooms are organizing the decoration of the benches. Head of Maintenance, Brian Sposato will install the benches.

Impact on LCAP and Annual Update

How did these consultations impact the LCAP for the upcoming year?

Priorities Identified by School Site Council & LCAP Advisory Committee and other Stakeholder feedback:

- Promote curriculum development and higher levels of student achievement within the District consistent with state standards and framework. (District Goal #3 Curriculum and Instruction)
- Continue staff development in Common Core Implementation and common planning time.

- Continue additional availability of technology for students.
- Continue assistance by IT personnel for maintenance of technology and assistance for teachers.
- Continue investigating the purchase of common core aligned ELA and NGSS textbooks.
- Continue the Learning Lab placement for non-proficient students.
- Continue Homework Club
- Continue Second Step, but look at other tools, and assemblies to help address social/emotional learning
- Continue the maintenance of facilities

Results from Student Input:

- Continue a full-time School Counselor to serve students at all District schools.
- Friendship bench suggested as School Site Council community goal, and pursued with our Facility Manager.
- TK-1st received greater access to technology with the purchase of Yoga Chromebooks for TK-1st grade. Devices that include a tablet and keyboard were selected for the classrooms, so they can "learn to type!"
- Expanded the bandwidth to support more students online at once.
- ELD services continued.
- EL addressed when adopting new ELA program.
- Additions recommended and implemented at the Gravenstein Campus to the program:
- Continue with the added full time teaching position to the Learning Lab at Gravenstein replacing teaching assistants.
- Continue added Teaching Assistant positions to support students in the classroom with Multi Tier Systems of Support.

- 1 or 2 "friendship benches (as described by students above) are planned for the elementary playground. 2 classrooms are organizing the decoration of the benches. Head of Maintenance, Brian Sposato will install the benches.

Goals, Actions, & Services

Strategic Planning Details and Accountability

Complete a copy of the following table for each of the LEA's goals. Duplicate the table as needed.

(Select from New Goal, Modified Goal, or Unchanged Goal)

Unchanged Goal

Goal 1

Goal #1: The district goal to increase the percentage of students performing at or above grade level standards in all subgroups.

State and/or Local Priorities addressed by this goal:

State Priorities: Priority 1: Basic (Conditions of Learning)
 Priority 4: Pupil Achievement (Pupil Outcomes)
 Priority 5: Pupil Engagement (Engagement)
 Priority 7: Course Access (Conditions of Learning)
 Priority 8: Other Pupil Outcomes (Pupil Outcomes)

Local Priorities:

Identified Need:

Identified Need : Proficiency – Student Performance

2018 CAASPP Scores at or above Standard:

	2018 3rd Gr	4th Gr	5th Gr	6th Gr	7th Gr	8th Gr
ELA	84%	78%	74%	76%	72%	69%
Math	81%	77%	51%	64%	49%	48%

Further analysis:

When reviewing results from all students in all subjects, more 3-5th gr Gravenstein students scored in the highest "standards exceeded" area than all others.

Proficiency was down slightly in 5th gr Math, otherwise all areas in all 3-5th grades maintained or increased more than 2%.

Students improved or held consistent in ELA in all subgroups over the previous year and held consistent in Math over the previous year, with the exception of the hispanic subgroup, which declined.

Students with Disabilities (SWD) subgroup increased slightly, yet the subgroup is performing significantly lower than all students at Hillcrest. Students in that subgroup are performing below standard. This is an area for focus going forward.

2017 CAASPP Scores at or above Standard:

2017	3rd Gr	4th Gr	5th Gr	6th Gr	7th Gr	8th Gr
ELA	71%	77%	72%	72%	79%	65%
Math	72%	63%	69%	62%	62%	54%

Further analysis:

All students meeting standard in ELA at Gravenstein: 73%

All students meeting standard in Math at Gravenstein: 68%

2016 CAASPP Scores at or above Standard:

2016	3rd Gr	4th Gr	5th Gr	6th Gr	7th Gr	8th Gr
ELA	72%	77%	77%	74%	73%	68%
Math	68%	69%	62%	60%	62%	58%
Science (STAR)		83%		86%		

Further analysis:

All students meeting standard in ELA at Gravenstein: 76%

All students meeting standard in Math at Gravenstein: 67%

When reviewing results from all students in all subjects, more GUSD students scored in the highest "standards exceeded" area than all others. 60% are considered proficient or above:

- 39% standards exceeded
- 21% standards met
- 23% standards nearly met
- 17% standards not met

Further analysis:

Proficiency was down slightly in 4th gr Math last year, otherwise all areas in all grades maintained or increased more than 2%.

Fitness Metrics 2017:

Grade 5		Grade 7	
Physical Fitness Task	Total Tested	% in HFZ	% not in HFZ
Aerobic Capacity	75	78.7%	21.3%
Body Composition	75	86.7%	13.3%
Abdominal Strength	75	66.7%	33.3%
Trunk Extension	75	61.3%	38.7%
Upper Body Strength	75	60.0%	40.0%
Flexibility	75	73.0%	26.7%

Grade 5		Grade 7	
Physical Fitness Task	Total Tested	% in HFZ	% not in HFZ
Aerobic Capacity	83	74.7%	25.3%
Body Composition	83	65.1%	34.9%
Abdominal Strength	83	89.2%	10.8%
Trunk Extension	83	80.7%	19.3%
Upper Body Strength	83	79.5%	20.5%
Flexibility	83	85.5%	14.5%

2017 Fitness levels among 5th graders improved in the area of aerobic capacity (+7%) and body composition (+15.5%), but declined in abdominal (-12.8%) and upper body strength (23.6%).

40% of students are not performing in a healthy fitness zone in upper body strength. This should be a target area for 18-19.

Fitness Metrics 2016:

Grade 5		Grade 7	
Physical Fitness Task	Total Tested	% in HFZ	% not in HFZ
Aerobic Capacity	73	71.2%	28.8%
Body Composition	73	71.2%	28.8%
Abdominal Strength	73	79.5%	20.5%
Trunk Extension	73	87.7%	12.3%
Upper Body Strength	73	83.6%	16.4%
Flexibility	73	69.9%	30.1%

Grade 5		Grade 7	
Physical Fitness Task	Total Tested	% in HFZ	% not in HFZ
Aerobic Capacity	84	70.2%	29.8%
Body Composition	84	76.2%	23.8%
Abdominal Strength	84	88.1%	11.9%
Trunk Extension	84	90.5%	9.5%
Upper Body Strength	84	76.2%	23.8%
Flexibility	84	92.9%	7.1%

Fitness levels dropped overall in 2016.

Staffing:

100% of teachers are appropriately credentialed, highly qualified and have the appropriate EL authorization.

100% of administrators are credentialed, highly qualified and have the appropriate EL authorization.

100% of instructional assistants are highly qualified.

100% student access to the grade level appropriate core curriculum for all students and for unduplicated students and students with exceptional needs.

Expected Annual Measurable Outcomes

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20
<p>CAASPP, PFT, etc. as seen above</p> <p>This District is a K-8 school system so the following metrics are not applicable:</p> <p>4C – Percent of pupils who have successfully completed courses that satisfy the requirements for entrance to the UC, CSU or Career technical education sequences or programs of study that align with state board approved career technical education standards and frameworks.</p> <p>4F – Percent of pupils who have passed an advanced placement examination with a score of 3 or higher.</p> <p>4G – Percent of pupils who participate in, and demonstrate college preparedness pursuant to, the Early Assessment Program, or any subsequent</p>	<p>See result of standardized assessments above</p> <p>Middle school dropout rate is zero.</p>	<p>Student performance on:</p> <ul style="list-style-type: none"> • State tests will increase by 2 percentage points per year. • Local Assessments/ Benchmarks: Students at benchmark will increase by 2 percentage points per year • Fitness: Number of students in the healthy fitness zone on all 6 measures will increase by 2 points per year. <p>100% student access to classes with appropriately credentialed teachers will be maintained.</p> <p>100% student access to the grade level</p>	<p>Student performance on:</p> <ul style="list-style-type: none"> • State tests will increase by 2 percentage points per year. • Local Assessments/ Benchmarks: Students at benchmark will increase by 2 percentage points per year • Fitness: Number of students in the healthy fitness zone on all 6 measures will increase by 2 points per year. <p>100% student access to classes with appropriately credentialed teachers will be maintained.</p> <p>100% student access to the grade-level</p>	<p>Student performance on:</p> <ul style="list-style-type: none"> • State tests will increase by 2 percentage points per year. • Local Assessments/ Benchmarks: Students at benchmark will increase by 2 percentage points per year • Fitness: Number of students in the healthy fitness zone on all 6 measures will increase by 2 points per year. <p>100% student access to classes with appropriately credentialed teachers will be maintained.</p> <p>100% student access to the grade-level</p>

Unchanged Goal

Goal 4

Goal #4: All students will reach or exceed proficiency in the new CA State Standards in Math and Language Arts.

State and/or Local Priorities addressed by this goal:

State Priorities: Priority 4: Pupil Achievement (Pupil Outcomes)

Local Priorities:

Identified Need:

Identified Need : Proficiency – Student Performance

2018 CAASPP Scores at or above Standard:

2018	3rd Gr	4th Gr	5th Gr	6th Gr	7th Gr	8th Gr	
ELA	84%	78%	74%	76%	72%	69%	
Math	81%	77%	51%	64%	49%	48%	

Further analysis:

When reviewing results from all students in all subjects, more 3-5th gr Gravenstein students scored in the highest "standards exceeded" area than all others.

Proficiency was down slightly in 5th gr Math, otherwise all areas in all 3-5th grades maintained or increased more than 2%.

Grades 6-8:

Students improved or held consistent in ELA in all subgroups over the previous year and held consistent in Math over the previous year, with the exception of the hispanic subgroup, which declined.

Students with Disabilities (SWD) subgroup increased slightly, yet the subgroup is performing significantly lower than all students at Hillcrest. Students in that subgroup are performing below standard. This is an area for focus going forward.

2017 CAASPP Scores at or above Standard:

	2017 3rd Gr	4th Gr	5th Gr	6th Gr	7th Gr	8th Gr
ELA	71%	77%	72%	72%	79%	65%
Math	72%	63%	69%	62%	62%	54%

Further analysis:

All students meeting standard in ELA at Gravenstein: 73%

All students meeting standard in Math at Gravenstein: 68%

2016 CAASPP Scores at or above Standard:

	2016 3rd Gr	4th Gr	5th Gr	6th Gr	7th Gr	8th Gr
ELA	72%	77%	77%	74%	73%	68%
Math	68%	69%	62%	60%	62%	58%
Science (STAR)		83%		86%		

Further analysis:

All students meeting standard in ELA at Gravenstein: 76%

All students meeting standard in Math at Gravenstein: 67%

When reviewing results from all students in all subjects, more GUSD students scored in the highest "standards exceeded" area than all others. 60% are considered proficient or above:

- 39% standards exceeded
- 21% standards met
- 23% standards nearly met
- 17% standards not met

Further analysis:

Proficiency was down slightly in 4th gr Math last year, otherwise all areas in all grades maintained or increased more than 2%.

Fitness Metrics 2017:

Grade 5		Grade 7		Grade 5		Grade 7	
Physical Fitness Task	Total Tested	% in HFZ	% not in HFZ	Total Tested	% in HFZ	% not in HFZ	Total Tested
Aerobic Capacity	75	78.7%	21.3%	83	74.7%	25.3%	83
Body Composition	75	86.7%	13.3%	83	65.1%	34.9%	83
Abdominal Strength	75	66.7%	33.3%	83	89.2%	10.8%	83
Trunk Extension	75	61.3%	38.7%	83	80.7%	19.3%	83
Upper Body Strength	75	60.0%	40.0%	83	79.5%	20.5%	83
Flexibility	75	73.0%	26.7%	83	85.5%	14.5%	83

2017 Fitness levels among 5th graders improved in the area of aerobic capacity (+7%) and body composition (+15.5%), but declined in abdominal (-12.8%) and upper body strength (23.6%).

40% of students are not performing in a healthy fitness zone in upper body strength. This should be a target area for 18-19.

Fitness Metrics 2016:

Grade 5		Grade 7		Grade 5		Grade 7	
Physical Fitness Task	Total Tested	% in HFZ	% not in HFZ	Total Tested	% in HFZ	% not in HFZ	Total Tested
Aerobic Capacity	73	71.2%	28.8%	84	70.2%	29.8%	84
Body Composition	73	71.2%	28.8%	84	76.2%	23.8%	84
Abdominal Strength	73	79.5%	20.5%	84	88.1%	11.9%	84
Trunk Extension	73	87.7%	12.3%	84	90.5%	9.5%	84
Upper Body Strength	73	83.6%	16.4%	84	76.2%	23.8%	84
Flexibility	73	69.9%	30.1%	84	92.9%	7.1%	84

Fitness levels dropped overall in 2016.

Staffing:

100% of teachers are appropriately credentialed, highly qualified and have the appropriate EL authorization.

100% of administrators are credentialed, highly qualified and have the appropriate EL authorization.

100% of instructional assistants are highly qualified.

100% student access to the grade level appropriate core curriculum for all students and for unduplicated students and students with exceptional needs.

Expected Annual Measurable Outcomes

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20
CAASPP scores	See above 2016 results	In 2018, there will be a 2% increase in students who meet or exceed standards, over 2017 on State assessments	In 2019, there will be a 2% increase in students who meet or exceed standards over 2018 on State assessments	In 2020, there will be a 2% increase in students who meet or exceed standards over 2019 on State assessments

Goal 6

Goal #6: Appropriate academic and social/emotional support will be given to students who are struggling academically and/or socially.

State and/or Local Priorities addressed by this goal:

State Priorities: Priority 4: Pupil Achievement (Pupil Outcomes)
 Priority 6: School Climate (Engagement)
 Priority 8: Other Pupil Outcomes (Pupil Outcomes)

Local Priorities:

Identified Need:

Identified Need : Proficiency – Student Performance

2018 CAASPP Scores at or above Standard:

	2018 3rd Gr	4th Gr	5th Gr	6th Gr	7th Gr	8th Gr
ELA	84%	78%	74%	76%	72%	69%
Math	81%	77%	51%	64%	49%	48%

Further analysis:

When reviewing results from all students in all subjects, more 3-5th gr Gravenstein students scored in the highest "standards exceeded" area than all others.

Proficiency was down slightly in 5th gr Math, otherwise all areas in all 3-5th grades maintained or increased more than 2%.

Grades 6-8:

Students improved or held consistent in ELA in all subgroups over the previous year and held consistent in Math over the previous year, with the exception of the hispanic subgroup, which declined.

Students with Disabilities (SWD) subgroup increased slightly, yet the subgroup is performing significantly lower than all students at Hillcrest. Students in that subgroup are performing below standard. This is an area for focus going forward.

2017 CAASPP Scores at or above Standard:

	2017 3rd Gr	4th Gr	5th Gr	6th Gr	7th Gr	8th Gr

Unchanged Goal

Goal 9

Goal #9: Students experiencing chronic absenteeism will be supported in attending school through individual conferencing or home visits to determine the need. This will include the need to go to their home school district if distance to school is the issue.

State and/or Local Priorities addressed by this goal:

State Priorities: Priority 3: Parental Involvement (Engagement)
 Priority 5: Pupil Engagement (Engagement)
 Priority 6: School Climate (Engagement)
 Priority 7: Course Access (Conditions of Learning)
 Priority 8: Other Pupil Outcomes (Pupil Outcomes)

Local Priorities:

Identified Need:

Students with attendance problems need to attend school regularly. Part of the strategy is to reach out to parents and families to make sure they are aware of school happenings and feel informed and involved.

Attendance rates:

School Year	ADA	CBEDS	ADA	CBEDS	ADA	CBEDS	ADA	CBEDS	ADA	CBEDS	%

Goals, Actions, & Services

Strategic Planning Details and Accountability

Complete a copy of the following table for each of the LEA's goals. Duplicate the table as needed.

(Select from New Goal, Modified Goal, or Unchanged Goal)

Unchanged Goal

Goal 10

Goal #10: All students will be involved in school wide programs to boost school pride and a feeling of belongingness of each child, to treat others with respect, kindness and compassion, and to ensure that bullying and inappropriate behavior that distracts students from learning is not happening. This includes the use of Second Step lessons in all classrooms.

State and/or Local Priorities addressed by this goal:

State Priorities: Priority 6: School Climate (Engagement)

Local Priorities:

Identified Need:

Students need to feel safe and secure at school.

School-wide anti-bullying/cultural inclusion program (Second Step) will continue and be utilized.

Beginning in 2016, new data is available via the CA School Dashboard, including:

Suspension rate by	District	Gravenstein Elementary	Hillcrest Middle School
2016	0%	0.2%	1.8%
2017	2.4%	2.3%	2.4%
2018	4.9%	0.4%	2.6%

2016 Expulsions remains at 0%

2017 Expulsions remains at 0%

2018 Expulsions 1%

Historical Suspension and Expulsions as a Percentage of Enrolled Students:

School Climate: Based on teacher feedback 98% reported the climate of the school is safe and the students feel connected to school.

Expected Annual Measurable Outcomes

Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year: **2019-20**

Estimated Supplemental and Concentration Grant Funds

\$86,594

Percentage to Increase or Improve Services

4.31%

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

Hillcrest's percent of unduplicated students is 21.57%. Hillcrest is scheduled to receive \$86,594 in Supplemental funding for the identified student population. The Hillcrest does not receive any concentration grant funding. With these funds, the Hillcrest will be providing academic support and intervention with additional certificated staff in the Learning Lab, subsidized transportation and school lunches. The District also provides unduplicated pupils with support with the use of instructional assistants in the classroom. The Learning Lab uses the RTI model to support identified students, including those in the unduplicated count. This targeted assistance has been successful in helping our students become proficient.

Hillcrest Middle School has achieved this percentage in increased services to our unduplicated students by providing additional certificated and classified staff to deliver academic intervention services. The District has identified \$110,612 in costs that are supplemental for our identified student population to the basic education program funding of \$2,216,177 and demonstrates the increase service rate of 4.31%

LCAP Year: **2018-19**

Estimated Supplemental and Concentration Grant Funds

\$76,497

Percentage to Increase or Improve Services

4.16%

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

Hillcrest's percent of unduplicated students is 37.90%. Hillcrest is scheduled to receive \$76,497 in Supplemental funding for the identified student population. The Hillcrest does not receive any concentration grant funding. With these funds, the Hillcrest will be providing academic support and intervention with additional certificated staff in the Learning Lab, subsidized transportation and school lunches. The District also provides unduplicated pupils with support with the use of instructional assistants in the classroom. The Learning Lab uses the RTI model to support identified students, including those in the unduplicated count. This targeted assistance has been successful in helping our students become proficient.

Hillcrest Middle School has achieved this percentage in increased services to our unduplicated students by providing additional certificated and classified staff to deliver academic intervention services. The District has identified \$109,993 in costs that are supplemental for our identified student population to the basic education program funding of \$1,917,145 and demonstrates the increase service rate of 4.16%

LCAP Year: 2017-18

Estimated Supplemental and Concentration Grant Funds

\$61,619

Percentage to Increase or Improve Services

3.54%

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

Gravenstein's percent of unduplicated students is 35.97%. Gravenstein District LCFF is scheduled to receive \$61,619 in Supplemental funding for the identified student population. The District does not receive any concentration grant funding. With these funds, the District will be providing academic support and intervention with additional certificated staff in the Learning Lab, subsidized transportation and school lunches. The District also provides unduplicated pupils with support with the use of instructional assistants in the classroom. The Learning Lab uses the RTI model to support identified students, including those in the unduplicated count. This targeted assistance has been successful in helping our students become proficient.

Gravenstein District has achieved this percentage in increased services to our unduplicated students by providing additional certificated and classified staff to deliver academic intervention services. The District has identified \$61,619 in costs that are supplemental for our identified student population to the basic education program funding of \$1,738,916 and demonstrates the increase service rate of 3.54%.

Addendum

The Local Control and Accountability Plan (LCAP) and Annual Update Template documents and communicates local educational agencies' (LEAs) actions and expenditures to support student outcomes and overall performance. The LCAP is a three-year plan, which is reviewed and updated annually, as required. Charter schools may complete the LCAP to align with the term of the charter school's budget, typically one year, which is submitted to the school's authorizer. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all students and each student group identified by the Local Control Funding Formula (LCFF) (ethnic, socioeconomically disadvantaged, English learners, foster youth, pupils with disabilities, and homeless youth), for each of the state priorities and any locally identified priorities.

For county offices of education, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all students and each LCFF student group funded through the county office of education (students attending juvenile court schools, on probation or parole, or expelled under certain conditions) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services funded by a school district that are provided to students attending county-operated schools and programs, including special education programs.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in Education Code (EC) sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

Charter schools must describe goals and specific actions to achieve those goals for all students and each LCFF subgroup of students including students with disabilities and homeless youth, for each of the state priorities that apply for the grade levels served or the nature of the program operated by the charter school, and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the EC. Changes in LCAP goals and actions/services for charter schools that result from the annual update process do not necessarily constitute a material revision to the school's charter petition.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

[Plan Summary](#)

[Annual Update](#)

[Stakeholder Engagement](#)

[Goals, Actions, and Services](#)

[Planned Actions/Services](#)

[Demonstration of Increased or Improved Services for Unduplicated Students](#)

For additional questions or technical assistance related to completion of the LCAP template, please contact the local county office of education, or the CDE's Local Agency Systems Support Office at: 916-319-0809 or by email at: lcff@cde.ca.gov.

Plan Summary

The LCAP is intended to reflect an LEA's annual goals, actions, services and expenditures within a fixed three-year planning cycle. LEAs must include a plan summary for the LCAP each year.

When developing the LCAP, enter the appropriate LCAP year, and address the prompts provided in these sections. When developing the LCAP in year 2 or year 3, enter the appropriate LCAP year and replace the previous summary information with information relevant to the current year LCAP.

In this section, briefly address the prompts provided. These prompts are not limits. LEAs may include information regarding local program(s), community demographics, and the overall vision of the LEA. LEAs may also attach documents (e.g., the California School Dashboard data reports) if desired and/or include charts illustrating goals, planned outcomes, actual outcomes, or related planned and actual expenditures.

An LEA may use an alternative format for the plan summary as long as it includes the information specified in each prompt and the budget summary table.

The reference to California School Dashboard means the California School Dashboard adopted by the State Board of Education under EC Section 52064.5.

Comprehensive Support and Improvement

An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

- **Schools Identified:** Identify the schools within the LEA that have been identified for CSI.
- **Support for Identified Schools:** Describe how the LEA supported the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.
- **Monitoring and Evaluating Effectiveness:** Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

Annual Update

The planned goals, expected outcomes, actions/services, and budgeted expenditures must be copied verbatim from the previous year's* approved LCAP; in addition, list the state and/or local priorities addressed by the planned goals. Minor typographical errors may be corrected.

* For example, for LCAP year 2017/18 of the 2017/18 – 2019/20 LCAP, review the goals in the 2016/17 LCAP. Moving forward, review the goals from the most recent LCAP year. For example, LCAP year 2020/21 will review goals from the 2019/20 LCAP year, which is the last year of the 2017/18 – 2019/20 LCAP.

Annual Measurable Outcomes

For each goal in the prior year, identify and review the actual measurable outcomes as compared to the expected annual measurable outcomes identified in the prior year for the goal.

Actions/Services

Identify the planned Actions/Services and the budgeted expenditures to implement these actions toward achieving the described goal. Identify the actual actions/services implemented to meet the described goal and the estimated actual annual expenditures to implement the actions/services. As applicable, identify any changes to the students or student groups served, or to the planned location of the actions/services provided.

Analysis

Using actual annual measurable outcome data, including data from the California School Dashboard, analyze whether the planned actions/services were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the actions/services to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process.
- Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.
- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures. Minor variances in expenditures or a dollar-for-dollar accounting is not required.
- Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the data provided in the California School Dashboard, as applicable. Identify where those changes can be found in the LCAP.

Stakeholder Engagement

Meaningful engagement of parents, students, and other stakeholders, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. EC identifies the minimum consultation requirements for school districts and county offices of education as consulting with teachers, principals, administrators, other school personnel, local bargaining units of the school district, parents, and pupils in developing the LCAP. EC requires

charter schools to consult with teachers, principals, administrators, other school personnel, parents, and pupils in developing the LCAP. In addition, EC Section 48985 specifies the requirements for the translation of notices, reports, statements, or records sent to a parent or guardian.

The LCAP should be shared with, and LEAs should request input from, school site-level advisory groups, as applicable (e.g., school site councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet specific goals.

Instructions: The stakeholder engagement process is an ongoing, annual process. The requirements for this section are the same for each year of a three-year LCAP. When developing the LCAP, enter the appropriate LCAP year, and describe the stakeholder engagement process used to develop the LCAP and Annual Update. When developing the LCAP in year 2 or year 3, enter the appropriate LCAP year and replace the previous stakeholder narrative(s) and describe the stakeholder engagement process used to develop the current year LCAP and Annual Update.

School districts and county offices of education: Describe the process used to consult with the Parent Advisory Committee, the English Learner Parent Advisory Committee, parents, students, school personnel, the LEA's local bargaining units, and the community to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Charter schools: Describe the process used to consult with teachers, principals, administrators, other school personnel, parents, and students to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Describe how the consultation process impacted the development of the LCAP and annual update for the indicated LCAP year, including the goals, actions, services, and expenditures.

Goals, Actions, and Services

LEAs must include a description of the annual goals, for all students and each LCFF identified group of students, to be achieved for each state priority as applicable to type of LEA. An LEA may also include additional local priorities. This section shall also include a description of the specific planned actions an LEA will take to meet the identified goals, and a description of the expenditures required to implement the specific actions.

School districts and county offices of education: The LCAP is a three-year plan, which is reviewed and updated annually, as required.

Charter schools: The number of years addressed in the LCAP may align with the term of the charter schools budget, typically one year, which is submitted to the school's authorizer. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

New, Modified, Unchanged

As part of the LCAP development process, which includes the annual update and stakeholder engagement, indicate if the goal, identified need, related state and/or local priorities, and/or expected annual measurable outcomes for the current LCAP year or future LCAP years are modified or unchanged from the previous year's LCAP; or, specify if the goal is new.

Goal

State the goal. LEAs may number the goals using the “Goal #” box for ease of reference. A goal is a broad statement that describes the desired result to which all actions/services are directed. A goal answers the question: What is the LEA seeking to achieve?

Related State and/or Local Priorities

List the state and/or local priorities addressed by the goal. The LCAP must include goals that address each of the state priorities, as applicable to the type of LEA, and any additional local priorities; however, one goal may address multiple priorities. ([Link to State Priorities](#))

Identified Need

Describe the needs that led to establishing the goal. The identified needs may be based on quantitative or qualitative information, including, but not limited to, results of the annual update process or performance data from the California School Dashboard, as applicable.

Expected Annual Measurable Outcomes

For each LCAP year, identify the metric(s) or indicator(s) that the LEA will use to track progress toward the expected outcomes. LEAs may identify metrics for specific student groups. Include in the baseline column the most recent data associated with this metric or indicator available at the time of adoption of the LCAP for the first year of the three-year plan. The most recent data associated with a metric or indicator includes data as reported in the annual update of the LCAP year immediately preceding the three-year plan, as applicable. The baseline data shall remain unchanged throughout the three-year LCAP. In the subsequent year columns, identify the progress to be made in each year of the three-year cycle of the LCAP. Consider how expected outcomes in any given year are related to the expected outcomes for subsequent years.

The metrics may be quantitative or qualitative, but at minimum an LEA must use the applicable required metrics for the related state priorities, in each LCAP year as applicable to the type of LEA. For the student engagement priority metrics, as applicable, LEAs must calculate the rates as described in the [LCAP Template Appendix, sections \(a\) through \(d\)](#).

Planned Actions/Services

For each action/service, the LEA must complete either the section “For Actions/Services not included as contributing to meeting Increased or Improved Services Requirement” or the section “For Actions/Services included as contributing to meeting the Increased or Improved Services Requirement.” The LEA shall not complete both sections for a single action.

For Actions/Services Not Contributing to Meeting the Increased or Improved Services Requirement

Students to be Served

The “Students to be Served” box is to be completed for all actions/services except for those which are included by the LEA as contributing to meeting the requirement to increase or improve services for unduplicated students. Indicate in this box which students will benefit from the actions/services by entering “All”, “Students with Disabilities”, or “Specific Student Group(s)”. If “Specific Student Group(s)” is entered, identify the specific student group(s) as appropriate.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must identify "All Schools". If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans". Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by entering "Specific Schools" and identifying the site(s) where the actions/services will be provided. For charter schools operating only one site, "All Schools" and "Specific Schools" may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

For Actions/Services Contributing to Meeting the Increased or Improved Services Requirement:

Students to be Served

For any action/service contributing to the LEA's overall demonstration that it has increased or improved services for unduplicated students above what is provided to all students (see Demonstration of Increased or Improved Services for Unduplicated Students section, below), the LEA must identify the unduplicated student group(s) being served.

Scope of Service

For each action/service contributing to meeting the increased or improved services requirement, identify the scope of service by indicating "LEA-wide", "Schoolwide", or "Limited to Unduplicated Student Group(s)". The LEA must identify one of the following three options:

- If the action/service is being funded and provided to upgrade the entire educational program of the LEA, enter "LEA-wide."
- If the action/service is being funded and provided to upgrade the entire educational program of a particular school or schools, enter "schoolwide".
- If the action/service being funded and provided is limited to the unduplicated students identified in "Students to be Served", enter "Limited to Unduplicated Student Group(s)".

For charter schools and single-school school districts, "LEA-wide" and "Schoolwide" may be synonymous and, therefore, either would be appropriate. For charter schools operating multiple schools (determined by a unique CDS code) under a single charter, use "LEA-wide" to refer to all schools under the charter and use "Schoolwide" to refer to a single school authorized within the same charter petition. Charter schools operating a single school may use "LEA-wide" or "Schoolwide" provided these terms are used in a consistent manner through the LCAP.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must indicate "All Schools". If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans". Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by entering “Specific Schools” and identify the site(s) where the actions/services will be provided. For charter schools operating only one site, “All Schools” and “Specific Schools” may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

Actions/Services

For each LCAP year, identify the actions to be performed and services provided to meet the described goal. Actions and services that are implemented to achieve the identified goal may be grouped together. LEAs may number the action/service using the “Action #” box for ease of reference.

New/Modified/Unchanged:

- Enter “New Action” if the action/service is being added in any of the three years of the LCAP to meet the articulated goal.
- Enter “Modified Action” if the action/service was included to meet an articulated goal and has been changed or modified in any way from the prior year description.
- Enter “Unchanged Action” if the action/service was included to meet an articulated goal and has not been changed or modified in any way from the prior year description.
 - If a planned action/service is anticipated to remain unchanged for the duration of the plan, an LEA may enter “Unchanged Action” and leave the subsequent year columns blank rather than having to copy/paste the action/service into the subsequent year columns. Budgeted expenditures may be treated in the same way as applicable.

Note: The goal from the prior year may or may not be included in the current three-year LCAP. For example, when developing year 1 of the LCAP, the goals articulated in year 3 of the preceding three-year LCAP will be from the prior year.

Charter schools may complete the LCAP to align with the term of the charter school’s budget that is submitted to the school’s authorizer. Accordingly, a charter school submitting a one-year budget to its authorizer may choose not to complete the year 2 and year 3 portions of the “Goals, Actions, and Services” section of the template. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

Budgeted Expenditures

For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA’s budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by EC sections 52061, 52067, and 47606.5.

Expenditures that are included more than once in an LCAP must be indicated as a duplicated expenditure and include a reference to the goal and action/service where the expenditure first appears in the LCAP.

If a county superintendent of schools has jurisdiction over a single school district, and chooses to complete a single LCAP, the LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted expenditures are aligned.

Demonstration of Increased or Improved Services for Unduplicated Students

This section must be completed for each LCAP year. When developing the LCAP in year 2 or year 3, copy the "Demonstration of Increased or Improved Services for Unduplicated Students" table and enter the appropriate LCAP year. Using the copy of the section, complete the section as required for the current year LCAP. Retain all prior year sections for each of the three years within the LCAP.

Estimated Supplemental and Concentration Grant Funds

Identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner students as determined pursuant to California Code of Regulations, Title 5 (5 CCR) Section 15496(a)(5).

Percentage to Increase or Improve Services

Identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 CCR Section 15496(a)(7).

Consistent with the requirements of 5 CCR Section 15496, describe how services provided for unduplicated pupils are increased or improved by at least the percentage calculated as compared to services provided for all students in the LCAP year. To improve services means to grow services in quality and to increase services means to grow services in quantity. This description must address how the action(s)/service(s) limited for one or more unduplicated student group(s), and any schoolwide or districtwide action(s)/service(s) supported by the appropriate description, taken together, result in the required proportional increase or improvement in services for unduplicated pupils.

If the overall increased or improved services include any actions/services being funded and provided on a schoolwide or districtwide basis, identify each action/service and include the required descriptions supporting each action/service as follows.

For those services being provided on an LEA-wide basis:

- For school districts with an unduplicated pupil percentage of 55% or more, and for charter schools and county offices of education: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities.
- For school districts with an unduplicated pupil percentage of less than 55%: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities. Also describe how the services are **the most effective use of the funds to** meet these goals for its unduplicated pupils. Provide the basis for this determination, including any alternatives considered, supporting research, experience or educational theory.

For school districts only, identify in the description those services being funded and provided on a schoolwide basis, and include the required description supporting the use of the funds on a schoolwide basis:

- For schools with 40% or more enrollment of unduplicated pupils: Describe how these services are **principally directed to** and **effective in** meeting its goals for its unduplicated pupils in the state and any local priorities.
- For school districts expending funds on a schoolwide basis at a school with less than 40% enrollment of unduplicated pupils: Describe how these services are **principally directed to** and how the services are **the most effective use of the funds to** meet its goals for English learners, low income students and foster youth, in the state and any local priorities.

State Priorities

Priority 1: Basic Services addresses the degree to which:

- A. Teachers in the LEA are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- B. Pupils in the school district have sufficient access to the standards-aligned instructional materials; and
- C. School facilities are maintained in good repair.

Priority 2: Implementation of State Standards addresses:

- A. The implementation of state board adopted academic content and performance standards for all students, which are:
 - a. English Language Arts – Common Core State Standards (CCSS) for English Language Arts
 - b. Mathematics – CCSS for Mathematics
 - c. English Language Development (ELD)
 - d. Career Technical Education
 - e. Health Education Content Standards
 - f. History-Social Science
 - g. Model School Library Standards
 - h. Physical Education Model Content Standards
 - i. Next Generation Science Standards
 - j. Visual and Performing Arts
 - k. World Language; and
- B. How the programs and services will enable English learners to access the CCSS and the ELD standards for purposes of gaining academic content knowledge and English language proficiency.

Priority 3: Parental Involvement addresses:

- A. The efforts the school district makes to seek parent input in making decisions for the school district and each individual school site;
- B. How the school district will promote parental participation in programs for unduplicated pupils; and
- C. How the school district will promote parental participation in programs for individuals with exceptional needs.

Priority 4: Pupil Achievement as measured by all of the following, as applicable:

- A. Statewide assessments;
- B. The Academic Performance Index;
- C. The percentage of pupils who have successfully completed courses that satisfy University of California (UC) or California State University (CSU) entrance requirements, or programs of study that align with state board approved career technical educational standards and framework;
- D. The percentage of English learner pupils who make progress toward English proficiency as measured by the California English Language Development Test (CELDT);
- E. The English learner reclassification rate;
- F. The percentage of pupils who have passed an advanced placement examination with a score of 3 or higher; and
- G. The percentage of pupils who participate in, and demonstrate college preparedness pursuant to, the Early Assessment Program, or any subsequent assessment of college preparedness.

Priority 5: Pupil Engagement as measured by all of the following, as applicable:

- A. School attendance rates;
- B. Chronic absenteeism rates;
- C. Middle school dropout rates;
- D. High school dropout rates; and
- E. High school graduation rates;

Priority 6: School Climate as measured by all of the following, as applicable:

- A. Pupil suspension rates;
- B. Pupil expulsion rates; and
- C. Other local measures, including surveys of pupils, parents, and teachers on the sense of safety and school connectedness.

Priority 7: Course Access addresses the extent to which pupils have access to and are enrolled in:

- A. S broad course of study including courses described under *EC* sections 51210 and 51220(a)-(i), as applicable;
- B. Programs and services developed and provided to unduplicated pupils; and
- C. Programs and services developed and provided to individuals with exceptional needs.

Priority 8: Pupil Outcomes addresses pupil outcomes, if available, for courses described under *EC* sections 51210 and 51220(a)-(i), as applicable.

Priority 9: Coordination of Instruction of Expelled Pupils (COE Only) addresses how the county superintendent of schools will coordinate instruction of expelled pupils.

Priority 10. Coordination of Services for Foster Youth (COE Only) addresses how the county superintendent of schools will coordinate services for foster children, including:

- A. Working with the county child welfare agency to minimize changes in school placement
- B. Providing education-related information to the county child welfare agency to assist in the delivery of services to foster children, including educational status and progress information that is required to be included in court reports;
- C. Responding to requests from the juvenile court for information and working with the juvenile court to ensure the delivery and coordination of necessary educational services; and
- D. Establishing a mechanism for the efficient expeditious transfer of health and education records and the health and education passport.

Local Priorities address:

- A. Local priority goals; and
- B. Methods for measuring progress toward local goals.

APPENDIX A: PRIORITIES 5 AND 6 RATE CALCULATION INSTRUCTIONS

For the purposes of completing the LCAP in reference to the state priorities under *EC* sections 52060 and 52066, as applicable to type of LEA, the following shall apply:

- (a) “Chronic absenteeism rate” shall be calculated as follows:
 - (1) The number of K-8 students who were absent 10 percent or more of the school days excluding students who were:
 - (A) enrolled less than 31 days
 - (B) enrolled at least 31 days but did not attend at least one day
 - (C) flagged as exempt in the district attendance submission. K-8 students are considered to be exempt if they:
 - (i) are enrolled in a Non-Public School
 - (ii) receive instruction through a home or hospital instructional setting
 - (iii) are attending a community college full-time.
 - (2) The number of students who meet the enrollment requirements.
 - (3) Divide (1) by (2).
- (b) “High school dropout rate” shall be calculated as follows:
 - (1) The number of cohort members who dropout by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
 - (2) The total number of cohort members.
 - (3) Divide (1) by (2).
- (c) “High school graduation rate” shall be calculated as follows:
 - (1) For a 4-Year Cohort Graduation Rate:
 - (A) The number of students in the cohort who earned a regular high school diploma by the end of year 4 in the cohort.
 - (B) The total number of students in the cohort.
 - (C) Divide (1) by (2).
 - (2) For a Dashboard Alternative Schools Status (DASS) Graduation Rate:
 - (A) The number of students who either graduated as grade 11 students or who earned any of the following:
 - (i) a regular high school diploma
 - (ii) a High School Equivalency Certificate
 - (iii) an adult education diploma
 - (iv) a Certificate of Completion and was eligible for the California Alternative Assessment if under the age of 20.
 - (B) The number of students in the DASS graduation cohort.
 - (C) Divide (1) by (2).
- (d) “Suspension rate” shall be calculated as follows:
 - (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).
 - (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
 - (3) Divide (1) by (2).
- (e) “Expulsion rate” shall be calculated as follows:
 - (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).
 - (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

NOTE: Authority cited: Sections 42238.07 and 52064, *Education Code*. Reference: Sections 2574, 2575, 42238.01, 42238.02, 42238.03, 42238.07, 47605, 47605.6, 47606.5, 48926, 52052, 52060, 52061, 52062, 52063, 52064, 52066, 52067, 52068, 52069, 52070, 52070.5, and 64001,; 20 U.S.C. Sections 6312 and 6314.

APPENDIX B: GUIDING QUESTIONS

Guiding Questions: Annual Review and Analysis

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to EC Section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific school sites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Guiding Questions: Stakeholder Engagement

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in *EC* Section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to *EC* sections 52062, 52068, or 47606.5, as applicable, including engagement with representatives of parents and guardians of pupils identified in *EC* Section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 *CCR* Section 15495(a)?

- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Guiding Questions: Goals, Actions, and Services

- 1) What are the LEA's goal(s) to address state priorities related to "Conditions of Learning": Basic Services (Priority 1), the Implementation of State Standards (Priority 2), and Course Access (Priority 7)?
- 2) What are the LEA's goal(s) to address state priorities related to "Pupil Outcomes": Pupil Achievement (Priority 4), Pupil Outcomes (Priority 8), Coordination of Instruction of Expelled Pupils (Priority 9 – COE Only), and Coordination of Services for Foster Youth (Priority 10 – COE Only)?
- 3) What are the LEA's goal(s) to address state priorities related to parent and pupil "Engagement": Parental Involvement (Priority 3), Pupil Engagement (Priority 5), and School Climate (Priority 6)?
- 4) What are the LEA's goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual school sites been evaluated to inform the development of meaningful district and/or individual school site goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in *EC* Section 42238.01 and groups as defined in *EC* Section 52052 that are different from the LEA's goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
- 9) What information was considered/reviewed for individual school sites?
- 10) What information was considered/reviewed for subgroups identified in *EC* Section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to *EC* Section 52052, to specific school sites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified?
Where can these expenditures be found in the LEA's budget?

Prepared by the California Department of Education, January 2019

LCAP Expenditure Summary

Total Expenditures by Funding Source						
Funding Source	2018-19 Annual Update Budgeted	2018-19 Annual Update Actual	2017-18	2018-19	2019-20	2017-18 through 2019-20 Total
All Funding Sources	2,029,890.00	2,281,262.00	2,018,361.11	2,029,890.00	2,503,886.11	6,552,137.22
