School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Profiles

Gravenstein Union School District is a Transitional Kindergarten through 8th-grade school district with an enrollment of approximately 750 students, most of whom come from English speaking homes with a variety of socio-economic backgrounds. The district is located in the western rural section of Sebastopol in Western Sonoma County. The District serves a primarily rural population in an area of limited growth. Approximately ninety-four percent of the property located within the school district boundaries is zoned "rural residential" in the Sonoma County General Plan. This zoning classification also affects the number of students living within the district.

There are four schools in the district. Gravenstein Elementary School is a TK-5 charter school with the exception of some first-grade classes (called Gravenstein First School). Hillcrest Middle School is a 6th - 8th-grade middle school which is a charter school, and the district also has a Community Day School. The District is a TK-8 Magnet Program due to the ENRICH! program.

The sites reflect the rural nature of the community. The relatively low teacher: student ratio at each site, excellent staff, and very involved parents have worked together to establish a student body that has achieved some of the highest standardized test scores in Sonoma County for the last 15 years.

All classes TK-5 are self-contained. Primary classes (TK-3) have an approximate ratio of 20-1 and middle grades average an approximate ratio of 25-1. Instructional support assistants, paid by categorical monies, are utilized in Grades TK-8 according to need in the classroom. Instructional assistants work in conjunction with the Special Education Teachers to instruct in Learning Labs at both campuses. The Learning Labs are operated through combining categorical funding to serve students who need intervention or tutoring. Students are provided service according to their need – regardless of whether they qualify for special education or not. This setting provides additional services in the areas of Reading/Language Arts and Math to identified and/or below-grade-level students. Other services available to Gravenstein Union School District students (on both campuses) include the Speech and Language Program, an academic counselor, and a school psychologist. The same services are available at the middle school campus.

Students in grades TK through 3 receive music instruction one day per week and students in grades 4 and 5 receive music instruction twice a week. Visual art is also part of the Gravenstein School program and all students receive weekly art instruction. Hillcrest Middle School has a variety of scheduled music, art and drama programs. All grade levels participate in regular field trips and enrichment classes.

The school district utilizes a social-emotional learning program (SEL) entitled Second Step. Empathy, Emotion Management, Impulse Control, Problem Solving, and Anger Management are some of the topics covered. The district has created a Multi-Tiered System of Supports (MTSS) for mental health services led by our academic counselor and our mental health coordinator (an LMFT).

Thank you for your interest in our schools.
David Rose, Superintendent

School Description:

There are four schools within Gravenstein Union School District. They are Gravenstein Elementary, Gravenstein First, Hillcrest Middle School, and Gravenstein Community Day School.

Vision Statement:

By providing a rigorous and engaging education, GUSD will prepare all students academically and socially-emotionally for excellence in secondary education and beyond.

Mission Statements:

- 1) GUSD will provide a rigorous and innovative educational experience that gives every student all the tools necessary for annual academic and social emotional growth.
- 2) The educational experience for all GUSD students will be based on a solid foundation of expert core instruction and will be enhanced by a variety of enrichment experiences.
- 3) The GUSD Board and leadership will work together with the community to provide outstanding staff, attractive, safe schools, and to maintain a position of fiscal strength.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements

This school has 28 classrooms, a multipurpose room, a library, and an administration building - which includes the district office. With two campuses, the district employs three full-time custodial and maintenance professionals. The district works proactively to provide safe, clean, and adequate facilities. Deferred Maintenance projects are continually planned and executed (such as replacement of student restroom stalls, toilets, and tile as needed on both campuses).

Classroom carpet replacement, painting, blacktop and striping of parking lots are just a few of the other ongoing projects.

We have had a modernization or new building project (to remove and replace old modular units) at one of the campuses every summer for the last several years. In 2012, the district passed a General Obligation Bond for a new building project for Hillcrest Middle School campus and modernization project at Gravenstein Elementary. The Gravenstein Elementary School modernization project is in process. Phase 1, which was completed in August of 2015, included new roofing, sidewalks, and ADA compliance construction. Phase 2 of the modernization began in June of 2016. This part of the modernization includes a complete renovation of the student restrooms, heating and lighting in most classrooms, and changes to the district and school offices. Phase 2 was completed at the start of the 2017-18 year. Phase 3 began in the summer of 2018 and included remodeling the multi-purpose room, staff bathrooms, and learning lab classroom with new flooring, lighting, and heating system.

Gravenstein has finished Phase 3 which included renovation of the Gravenstein MPR including new roofing, flooring, fully remodeled kitchen, windows, and painting interior and exterior. Prop 39 improvements which occurred during the school year include completing the upgrading of lighting to LED throughout the campus. Additionally, kindergarten classrooms received new carpeting during the summer of 2019. New window coverings were also installed for safety. Solar for the campus has been substantially completed for the campus to begin using solar power. Routine maintenance items were performed for items that needed attention or repair.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)		N/A		N/A		N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

The Gravenstein Parent Association (GPA), School Site Council, volunteering in classrooms, and chaperoning on field trips are some of the opportunities available for parental involvement. Fundraising through the GPA parent foundation and helping teachers in class are not the only methods used in volunteering. Many parents share their own talents as a doctor, dentist, chef/cook, scientist, artist, poet, foreign language specialist, physical fitness instructor, and more with classroom students. A Cultural Awareness Committee was formed in 2019 to offer resources, ideas, and support for various school activities.

During the 2017-18 school year the Board of Trustees, Site Council/LCAP Committee, Leadership, and all teachers were included in the process to update the LCAP throughout the fall. The LCAP was revised and adopted by the board for 2018-19, 2019-20, and 2020-21.

The Trustees and the Superintendent attended county office workshops regarding LCFF and LCAP. Input on the LCAP was solicited via Monday Messages to the Superintendent and a series of meetings. Translation services were provided in two languages other than English. It was decided to include individual responses to questions to include people who could not attend meetings. Parent, staff, Board, student, and administrative LCAP meetings were held 5-6 times throughout the year.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	5.0	2.6	1.4	4.2	3.5	3.5
Expulsions	0.0	0.0	0.3	0.4	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0	6	
Expulsions	0	0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

The Comprehensive School Safety Plan includes a written plan comprised of all mandatory components, a physical tour of the campus to include some staff, a review of the fire alarm system, and workshops attended by members of the district's safety committee.

The safety plan is reviewed by the Site Council and approved by the school board every year prior to March 1. It was most recently reviewed and edited by the District Site Council in January 2020. The school board did approve the updated Safety Plan at the February 13, 2020 board meeting. This continues to be the current plan for when students are attending in-person instruction. We have added a COVID-19 specific section addendum to our Illness and Injury Prevention Program (IIP), specifically addressing campus safety during the times of the California state-mandated shelter-in-place and distance learning. The IIP is available on the District website (www.grav.k12.ca.us) under the COVID tab along with our Cal-OSHA/COVID-19 prevention Program (CPP)

The safety plan is reviewed in its entirety with the staff during staff development days each August before the start of school. This review includes sections covering child abuse, disaster and crisis response, new policies, such as Suspension and Expulsion, the Temporary Removal and Removal of students, sexual harassment of students and personnel, hate crime, and more. Fire and Disaster Response, Hazardous Materials, and more were covered with the assistance of a local Fire Battalion Chief and the local Sebastopol Chief of Police, in consultation with the Sebastopol Police Department's school shooter task force.

Safety goals completed for the 2018-19 school year include the addition of window coverings District-wide; and to communicate with parents first and then practice a lock-down in place procedure with students. Safety goals for the 2019-2020 school year included the purchase of Walkie Talkies for the entire supervision and office staff. In the 2020-2021 school year, additional walkie-talkies and reflective vests were purchased to reflect the increased staff needs.

Types of Services Funded (Fiscal Year 2019-2020)

Gravenstein Elementary School is NOT in Program Improvement status. Regardless, Federal and State funding is utilized to pay for Learning Labs (LL) and Teaching Assistants (TAs) at both campuses. The TAs spend the majority of their time working with low performing students. State adopted Intervention Programs (Language!) for English Language Arts and (Fast Forward) for Math were utilized for students who are achieving below their grade level during the prior school year.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	4	4	7

There are a minimum of 16 professional development days during the school year. Two of the days are required full days at the beginning of the year. Two additional optional days were offered in early August 2020 as a way to help staff prepare for changes brought about by the need for Distance Learning. The other days are spread monthly throughout the year as Early Release Days for students. Teachers meet as grade-level groups for planning or they have professional development brought to them on a school campus.

During the 2015-16 school year, the teachers piloted a different math textbook. They continue to utilize the early release days to discuss this math program by grade levels.

During the 2016-17 school year, teachers met to select and train in ELA pilot materials; CPR training for all certificated & office staff; student achievement data analysis and goal setting; and dual-program system inquiry.
